254 I just like him (4)

PEI Munian stood rooted to the ground, as if she had not heard Mrs. PEI's words. She frowned and her voice became colder. mom, we will handle our own matters. You don't have to worry.

For a moment, Mrs. PEI didn't know if she should be angry or helpless. If he really knew how to deal with it himself, she wouldn't have done such a thing.

mu Nian, I don't know what happened between you and Wanwan, but when I was on the phone with her last night, Wanwan seemed to have really been hurt this time. That's why I made the decision to arrange for both of you to come home. I hope that you can reconcile your relationship and not let it get out of hand. But since you really don't care, I won't meddle in this.

Making decisions without permission, Yingluo

When these words entered her ears, PEI Munian's eyes narrowed and something flashed in her eyes. mom, was yesterday's incident really your own idea? "

"What else?"

Mrs. PEI retorted angrily, " it wasn't easy for me to coax Wanwan to come back for dinner, but you're good. You keep a cold face. No matter how many opportunities I create, it's no use!

PEI Munian didn't hear the complaints in Mrs. PEI's words. His mind couldn't help but float to su Wanwan's pale face last night and the words she said in a trembling voice, " I really didn't know about today's matter beforehand!

So this time, she really didn't lie. She didn't lie to him, Wanwan.

PEI Munian thought of su Wanwan's last words. Quiet, deathly silent. She was clearly smiling when she spoke, but she was so depressed and desperate.

She said that he could think whatever he wanted, but it was as if she had completely given up on something.

PEI Munian's heart felt as if it had been hit hard by something. A sense of uneasiness welled up in her heart, and her hands clenched unconsciously.

Mrs. PEI looked at PEI Munian's dark eyes and sighed slightly. She could not help but say, " Munian, don't blame me for being long-winded, but I still have to remind you that it's normal for a husband and wife to have conflicts. However, no matter how angry you are, you can't lose your mind too much. If you still want to be in this marriage, don't be too ruthless unless you don't want to continue with Wanwan.

I don't want to walk with Wanwan anymore,"

PEI Munian's hand suddenly clenched and the veins on the back of her hand popped out. He wanted to take revenge on her because he was really hurt by her deception. So he wanted her to taste the pain in his heart and let her know what it felt like to be deceived and what it felt like to fall from the top.

However, from the beginning to the end, he never thought about how he and su Wanwan should go on after such a thing happened.

Was it really like what his mother said? he didn't want to go on with su Wanwan?

Mrs. PEI's words were like a heavy blow to his head. PEI Munian pursed her thin lips tightly, a trace of confusion in her eyes, but more of it was panic.

He couldn't say why he was panicking and couldn't say what the chaotic thoughts in his heart were thinking. He just subconsciously took a step forward and chased in the direction su Wanwan left.

PEI Munian ran downstairs and went out of the door. From a distance, she saw su Wanwan standing in the courtyard in front of her, as if she was talking to someone. He was about to step forward when su Wanwan's words reached him and made him stop in his tracks.
