

## Deeply 256

256 I just like him (6)

PEI Munian unconsciously took a step forward, but then she was firmly rooted in place. Su Wanwan's words just now flashed past his ears and he only felt full of sarcasm.

She said that she would no longer have any expectations of him, that she would not do anything, and that it was not worth it for her to do it.

After she could no longer gain any benefits from him, she would not waste any more time on him.

In front of her, he had always been the one who couldn't hold on any longer. When he saw her hurt and sad, he always thought that he should just let it go. He loved her, so he was willing to give in for her, lowering his bottom line again and again.

However, no matter what he did, he couldn't get su Wanwan to be touched at all. She couldn't see him being stunned.

The corners of PEI Munian's lips twitched, her smile full of sorrow. He loved her, but he couldn't let her have him in her eyes, so he hated her and took away everything she cared about. Could he force her to care about him a little? Even a little bit would be good, Yingying.

—

Xi Zhiwei did not expect su Wanwan to say such words and was stunned on the spot. After all, she had always been proud and confident in her treatment of PEI Munian. She also had the drive to never admit defeat, even when she was at a disadvantage.

So, now that she was saying such words as giving up, it seemed that she and PEI Munian had really fallen out?

As Xi Zhiwei thought about it, she blinked her beautiful big eyes and could not help but be happy.

She had been looking forward to this day for God knows how long. Su Wanwan finally knew her place and stopped pestering brother mu Nian!

As long as su Wanwan automatically distanced herself from mu Nian, then mu Nian would no longer be bewitched by this woman. He would see clearly who was by his side, who truly loved him, and who was really good to him!

The more Xi Zhiwei thought about it, the happier she became. She looked up inadvertently and saw a tall figure standing at the gate. Xi Zhiwei's eyes lit up and she ran straight over. Her voice was soft and sweet. brother Munian ~”

As Xi Zhiwei walked closer, she saw the gloomy expression on PEI munianjun's face. His eyes were cold as he looked straight at her, causing a chill to run down her spine. Her smile froze and her voice weakened. m-brother Munian, Good Morning.

PEI Munian's dark eyes scanned Xi Zhiwei's face and her gaze gradually softened. Her voice was unexpectedly gentle as she said, " Weiwei.

Xi Zhiwei was surprised for a moment, then her eyes curved into a smile. She subconsciously took a step forward. brother mu Nian, what's wrong? ”

The corners of PEI Munian's lips curled up into a smile. Her voice was languid and mesmerizing as she slowly opened her thin lips. I heard everything you said to Wanwan just now.

Xi Zhiwei recalled what she had just said. Every word and sentence was to scold su Wanwan on behalf of PEI Munian. She was proud. Did brother Munian finally know how good she was?

Xi Zhiwei glanced at PEI Munian shyly and laughed, brother mu Nian, my heart aches for you too. A woman like su Wanwan isn't worth you treating her so well. Don't worry, I'll be with you in the future. I won't let su Wanwan appear in front of you and disturb you again!

“Is that so?” PEI Munian's voice was calm and emotionless.

“Of course!” Xi Zhiwei nodded her head heavily, as if she was afraid that PEI Munian would not believe her.

However, PEI Munian laughed. His eyes were still gentle and doting, but the words he said were like a cold wind that pierced through Xi Zhiwei's heart.
