

Deeply 262

262 I just like him (12)

A black Mercedes-Benz had stopped at the entrance of the SU residence. There were two people sitting in the car. Su Wan was in the front passenger seat, and Gong Lingyu was in the driver's seat.

Last night, the light in su Wanwan's room didn't turn on. He thought that she had fallen asleep early. He didn't expect that she didn't fall asleep but didn't come back at all. Early in the morning, she took Gong Lingyu's car back to Xuxu.

PEI Munian's eyebrows twisted. Gong Lingyu suddenly leaned over and covered su Wanwan with his body. She was completely enveloped in Gong Lingyu's arms, but su Wanwan did not push him away.

PEI Munian immediately sat up straight, her eyes darkening and her handsome face dark.

Not only was su Wanwan with Gong Lingyu all night, but she was also so intimate with him now. PEI Munian couldn't help but recall the last time she returned late. She was with him. Also, at the dinner banquet, he stood up for her and protected her so helplessly in front of the reporters.

The last time he was so angry at her, she didn't seem to have any interaction or contact with Gong Lingyu anymore. Later, he was deeply immersed in her sweetness and thought that she really treated him wholeheartedly. He never thought that not only were they still in contact, but their relationship was still so intimate?

She was already married to him, but she was still in close contact with her ex-boyfriend and ex-fiancé! Then where did she put him?

PEI Munian's hands suddenly clenched tightly, the veins on the back of her hands bulging. Her eyes were surging with emotions, ready to move.

Gong Lingyu's hand touched su Wanwan's face. Su Wanwan seemed to have sensed it. Her long, curly eyelashes trembled slightly and she slowly opened her eyes.

Her eyes were slightly dazed and she was unable to react. After about a minute, she was completely awake. Looking at the handsome face in front of her, she was stunned for a moment and her body unconsciously shrank back. Ling Qianqian, Ling Yu?"

Gong Lingyu saw that she had woken up, but he didn't move away immediately. Instead, he maintained the same posture. There was a hint of hesitation in his eyes, but in the end, he still said, "Wanwan, I really don't want to see you suffer like this again. I don't want to see you being bullied, ridiculed, and rolled your eyes at. Let me help you with concubine SU's matter.

Recently, concubine SU's matter had caused quite a stir. When Gong Lingyu knew about the situation, su Wanwan wasn't surprised at all. It was just that she didn't want to ask Gong Lingyu for help.

Indeed, she was at her wit's end now and needed help. If Gong Lingyu was just a friend she knew, she would probably agree to his idea and even be grateful to him. However, Yingluo and he used to have that kind of relationship, and he was also PEI Munian's cousin.

No matter what, she could not accept his help. She could not repay him and did not want him to be involved in the matter between her and PEI Munian.

Su Wanwan pursed her lips and raised her hand to push him away. Her voice was low but very firm. Lingyu, I'm really grateful to you. It's just that I'll think of a way to deal with the company's matters myself.

"Wanwan!" PEI family corporation?" Gong Lingyu called out helplessly, but his heart ached for her even more. His thin shoulders were carrying such a heavy burden. you can't go against the PEI family corporation on your own.

Su Wanwan only smiled, politely said thank you, and pushed the door to get out of the car.

Gong Lingyu was still unwilling to give up. He reached out and grabbed her wrist.
