287 Her chance (9)

After taking the medicine, PEI Munian's complexion slowly returned to normal. The burning heat in her body also subsided a little, and she regained some consciousness.

Assistant Wu patted PEI Munian's face gently, her voice still filled with worry. boss PEI, how are you feeling? Better? What on earth had happened? How did you get hurt?"

As assistant Wu spoke, she knocked her head again. look at me. I'm still asking questions. Boss PEI, I'll send you to the hospital. Come.

Assistant Wu reached out and helped PEI Munian up from the ground, wanting to help her into her car. However, PEI Munian had just recovered a little strength and pushed him away. She staggered towards her car, opened the door, got in, started the engine, and the car sped away.

Assistant Wu didn't expect him to do that. She was stunned for two seconds before she reacted. She subconsciously took two steps forward and shouted, "Boss PEI! Boss PEI, where are you going?"

He was already injured to this extent, yet he didn't go to the hospital and even drove. What if something happened to him?

Assistant Wu was so anxious that she furrowed her brows. She hurriedly returned to her car and drove after PEI Munian's car.

PEI Munian's speed was extremely fast, and she weaved through the traffic. Assistant Wu was frightened and could only grit his teeth and follow her. However, his car was not as good as PEI Munian's sports car, so there was still a long distance between them and he could only barely keep up.

PEI Munian's car was parked at a private club. The moment he got out of the car, he rushed in.

Assistant Wu arrived at the clubhouse about five minutes later than him. He parked the car and quickly ran in. After asking the waiter, he found out that PEI Munian had gone to the suite upstairs. He then rushed upstairs without stopping. By the time he reached the room upstairs, it was already a mess.

PEI Munian ruthlessly beat up a man. The man had no strength to resist and wailed in pain.

He couldn't understand what was going on, but the current situation didn't allow him to think about it. He had to hold the big BOSS back first, or else he would definitely die if he continued fighting!

He rushed over to hug PEI Munian and forcefully pulled her away. As he pulled her away, he panted and said, "boss PEI, you can't fight anymore! He won't be able to do it if you hit him again!"

PEI Munian was being carried by assistant Wu. His eyes were red as he glared at the man who was lying on the ground and could not move. He kicked him angrily.

The guests were attracted by the commotion and came over to take a look. PEI Munian's eyes turned cold and she slammed the door open. Then, she broke free from assistant Wu's hand and strode towards the bedroom. After that, assistant Wu saw PEI Munian carrying Xi Zhiwei out.

Xi Zhiwei was crying very miserably, and her beautiful face was full of tears. Although she was wearing PEI Munian's suit jacket, assistant Wu could still vaguely see that under the suit jacket, her clothes were in a mess and torn.

Assistant Wu's pupils suddenly shrank as she looked at him. She was stunned on the spot.

Before he could react, PEI Munian had already walked in front of him and coldly instructed, "I'll leave this to you. Don't let anyone see this person leave this room.

"Yes, Zhenzhen, yes. I, I will handle it. This Zhenzhen, this Miss Xi, Zhenzhen." Assistant Wu subconsciously wanted to ask something, but PEI Munian opened the door and left with Xi Zhiwei in her arms!
