322 Get lost (2)

"I can't?"

PEI Munian's voice carried a hint of laughter, as if she found it funny. we're husband and wife. Why can't I? It's only natural for a married couple to live together."

PEI Munian's smile disappeared. His fingers rubbed su Wanwan's lips and his voice became softer. as long as we are husband and wife, I can sleep with you. It's reasonable and legal, isn't it? "

"You,"

Su Wanwan's cheeks flushed red. It wasn't shyness, but full of anger. He didn't love her, but he wanted to do this kind of thing with her. He was only humiliating her. In the past, she couldn't resist. Now, no matter what, she wouldn't let him humiliate her like this again.

Su Wanwan fiercely bit her lower lip and angrily replied, " don't even think about it!

Su Wanwan struggled hard, wanting to break free from PEI Munian's restraints, but her strength was nothing to PEI Munian. Su Wanwan was so angry that she shouted at him, " PEI Munian, get lost. Don't touch me! I'm disgusted!"

He had already slept with Xi Zhiwei and Xuxu had a child. What right did he have to touch her now? just the thought of it made her feel so disgusted that she had goosebumps all over her body!

PEI Munian was agitated by su Wanwan's words and coldly said, " disgusting? Doesn't that Gong Lingyu feel disgusted when he touches you?"

"Yes, he's a thousand times better than you, ten thousand times!"

Su Wanwan's heart was also in a mess because of the chaotic thoughts in her mind and she also spoke without thinking.

Su Wanwan's words, one word at a time, clearly entered PEI Munian's ears. PEI Munian looked at su Wanwan below her. There was a deep pain in the bottom of her eyes, but anger also swallowed him in an instant.

Gong Lingyu! Gong Lingyu! Gong Lingyu! Was Gong Lingyu the only one left in her world? Why couldn't she just look at him? why!

His eyes turned dark and his handsome face was gloomy. PEI Munian suddenly bent down and his thin lips fiercely blocked su Wanwan's lips. He didn't want to hear her mention Gong Lingyu's name again. He didn't want to hear it again!

The moment his kiss fell, su Wanwan turned her face hard, unwilling to let him kiss her. Her action angered PEI Munian even more. His five fingers exerted force and forcefully turned su Wanwan's face back, then kissed her heavily.

His lips were very cold, without the slightest temperature. It was so cold that it seemed to be able to penetrate directly into su Wanwan's heart. Su Wanwan's eyes were wide open, and her eyes were moist. She tightly closed her teeth and refused to yield.

PEI Munian kissed for a while and finally raised her head. su Wan, are you playing chaste with me now? You want to keep your chastity for Gong Lingyu, right? Don't you f \*\* king forget! I'm your husband!"

His roar seemed to be filled with hopelessness. He knew that he might have really lost some things, but he was still unwilling to give up. He still tried to hold on to the last bit of hope. No matter what it was, it was good as long as he could hold on to it.

The anger, desire, and despair in his body seemed to be able to gather into a huge evil force. He almost didn't know what he was doing. He only knew that he needed to grasp something, and he desperately wanted to grasp something!

PEI Munian no longer kissed su Wan. He didn't want to see the resistance and stubbornness in her eyes because of another man. He pulled off his tie and covered her eyes. Then, as if he had lost his mind, he let himself be.

Her eyes couldn't see, but her senses became clearer. Su Wanwan could feel PEI Munian's kisses and caresses on her body. She felt his breath getting heavier and heavier. She felt his body getting hotter and hotter while she became colder and colder.
