### 337 Get lost (17)

The sun shone through the window at an angle, and there was a hint of warmth in the room. It was very quiet in the clinic, and only the slight sound of the humidifier spraying could be heard.

Su Wanwan lowered her eyebrows. It was unclear if she was in a daze or thinking about something, but she didn't answer Yu Jia's question.

Yu Jia didn't rush her. This kind of thing had to be thought through carefully. After all, it was a life.

After a long while, su Wanwan finally returned to her senses. She raised her black eyes and looked at Yu Jia. She pursed her red lips and said softly, "I've already thought about it.

Yu Jia tapped the table with the pen in her hand. so, what's the result? "

"Yu Jia, can you help me get a certificate?" Su Wanwan's hand on the table unconsciously clenched. Then she looked at Yu Jia and said the rest of the words word by word, " help me write a certificate that the child is six weeks old.

".....?"

Yu Jia was stunned and her eyes widened slightly. She originally thought that su Wanwan didn't want this child in the end and wanted her to write an operation form. She didn't expect that ran ran would write a certificate?

Yu Jia frowned in confusion. Wanwan, why did you issue this certificate? " And the child is only four weeks old."

Su Wanwan's lips curved, but she could only smile bitterly.

The child was only four years old, but she needed to prove that it was six weeks old. She did not want to tell Yu Jia the reason. After all, she did not know anything about her relationship with PEI Munian. She did not tell her before, and now she did not know where to start.

So su Wanwan only said: " Yu Jia, please. Help me.

Yu Jia looked at su Wanwan's appearance and couldn't help sighing. She could see that she had experienced a lot of things and was carrying a lot of pain. She wanted to share her burden, but she hid it in her heart alone, which made people's hearts ache. However, she wouldn't force her to say what she didn't want to say. Everyone had a place in their heart that couldn't be touched by outsiders. As a friend, she respected and understood.

Wanwan, according to the rules, I can't give such a certificate that doesn't conform to the facts, but you're my good sister. Even if it's against the rules, I still have to help you this time, right? "

Su Wanwan's eyes were filled with warmth. She couldn't help but hold Yu Jia's hand and her tone was touched, " Yu Jia, thank you.

"Come on, there's no need to thank me."

After a pause, Yu Jia seemed to have thought of something and continued, " but in order to get this certificate, you'll have to change all your other information. The time of pregnancy will be changed to six weeks, so that the dates match. Is that okay? "

Su Wanwan nodded without hesitation. of course, it's best to be like this.

alright then. Have a seat. I'll handle it. Yu Jia got up and left the clinic.

Su Wanwan sat there, her hand unconsciously stroking her lower abdomen. She lowered her eyes and looked at the flat area, her eyes slightly sparkling.

"Baby, I'm sorry. Forgive me for having to make you stay in this way. But don't worry, from now on, I will never abandon you."

As she spoke, she couldn't help but recall the scene from that night.

When she saw that PEI Munian had called her back, there was a moment of joy in her heart. However, it was quickly shattered by Xi Zhiwei's 'Hello' and she was completely awoken.
