When Yu Jia chased after her, su Wanwan had already started the car. She shouted in that direction, but su Wanwan didn't seem to hear it. She stepped on the accelerator and the car drove out.

Yu Jia had no choice but to take out her phone. She wanted to call su Wanwan, but she took into account that she was driving, so she sent a message asking her to come to the hospital as soon as possible. She needed to check on her headache.

After su Wanwan left the hospital, she directly drove to the lawyer's building.

Her lawyer was already waiting for her in the office. After she went in, the lawyer invited her to sit down and asked the Secretary to pour her a cup of tea.

Su Wanwan wasn't in the mood to talk to the lawyer now and spoke straightforwardly, " lawyer Wang, have you prepared the things I want? "

"Yes, I'm ready." Lawyer Wang nodded. however, I have to ask you one more time. Are you sure you want a divorce? "

"Yes, I'm very sure."

Su Wanwan's attitude was so firm, so lawyer Wang no longer said anything. He handed the divorce agreement that he had already prepared to su Wanwan and said, " as long as both of you sign the papers, I'll handle the aftermath for you.

"Thank you," he said.

Su Wanwan took the divorce agreement, flipped it open, and signed her name on the last page without hesitation. Then, she closed the agreement, put it in her bag, got up, and said, " "Then I'll take my leave first."

"Take care."

After coming out of the lawyer's building, su Wanwan got into her car. This time, she drove to PEI family group.

She had always been a very emotional person. In a relationship, there was a courageous side and a weak side. Ever since she reunited with PEI Munian, she had always been weak and weak in their relationship. Because of their deep love and care, she was at a disadvantage. Now that she had something more important, she had to be tougher. Only then could Qianqian protect her child.

Su Wanwan took out the divorce agreement and the pregnancy certificate from her bag. She looked at it for a long time, took a few deep breaths, clenched her hand hard, and then let go. She pushed the door open and got out of the car. She held her head high and puffed out her chest. Step by step, she walked closer to the PEI family corporation.

When assistant Wu received a call from the front desk, saying that su Wanwan wanted to see PEI Munian, his face couldn't help but frown. He was very clear about why Su Wanwan came here. After all,

during this period of time, su Wanwan had sent divorce papers here quite a few times. However, the big BOSS would always tear him in half without even blinking an eye, and then ask him to send it back.

Her attitude had already made everything clear. Why was the young Madam so persistent? now, she had even come to find him.

Assistant Wu was mentally exhausted, but he had no choice but to report the matter. He pressed the internal line and waited for the other side to pick up. He then said weakly, " B-boss PEI, that young Madam Wanwan is here. She's just downstairs. Wanwan wants to see you.

It wasn't that assistant Wu was a coward, but his BOSS's temper had been in a gloomy state recently, so he had to be careful.

PEI Munian was silent for a moment on the other end of the phone. Then, she let out a sneer and said in a cold voice, " let her come up.

When su Wanwan pushed open the office door, PEI Munian's back was facing her and she was standing in front of the floor-to-ceiling window.

He had a tall and straight figure. The fitting suit shirt on his body outlined his sexy and strong figure. He was as handsome and charming as ever.
