Su Wanwan said and took a step forward. Her hand slowly touched PEI Munian's chest and she looked at him with her big eyes. Her long, curly eyelashes were like cattail-leaf fans and her voice became gentler. PEI Munian, after the test is clear, can we arrange a time to disclose my identity? I don't need a wedding, but you have to acknowledge my identity. After all, we have a child. We can't let this child be an illegitimate child, right?"

Her soft little hand was placed in front of him, but it felt like she was strangling his neck, making him unable to breathe.

PEI Munian's muscles were tense, and her eyes were cold and fragile. He grabbed su Wan's hand and pulled her away. His Adam's apple rolled up and down. PEI Munian opened her mouth again, and her voice actually trembled slightly. su Wan, I'll ask you one last time. Are you really Huahua pregnant? "The child, six, six weeks?"

"PEI Munian, how many times do you want me to answer you? Yes, I'm pregnant. The child is six weeks old and very healthy. In the future, I'll definitely give birth to a fair and chubby baby. We'll be a happy family of three."

"Don't say anymore."

"Didn't you ask me to say it? I haven't finished my words yet. Although I don't know if it's a man or a woman, he can have everything as long as his surname is PEI, right? I'll tell him to treat you with gratitude because you'll give him everything. He'll definitely be filial to you, Yueyue."

"I said stop!"

PEI Munian suddenly roared. Then, she fiercely smashed her fist on the table beside her. That deafening sound completely made su Wan stop talking.

Su Wanwan looked at the man in front of her. His whole body was shrouded in a huge haze. His handsome face was tight, the veins on his forehead bulged, and the bottom of his eyes rolled like stormy waves, as if he was going to gnaw her whole body in the next second. Su Wanwan's heart beat extremely fast, a chill rushed up her back, and her feet trembled unconsciously.

If it wasn't for her child, she might not have been able to hold on for a long time. However, as a mother, she was strong. As a mother, she was strong. For her child, she could have great courage and strength.

She couldn't back down, she couldn't lose.

Su Wanwan's lips trembled, but she still forced the words out of her throat. I came here today just to tell you this good news. Since you already know, that's all.

After a pause, su Wanwan continued, "but now the child is already six weeks old. You also know that in three months, it will be obvious that I'm pregnant. I hope that our relationship will be announced to the public before that. That way, everyone will know that the child I'm pregnant with is yours."

Su Wanwan was practically dancing with the most exciting, most provocative, and most unacceptable words. She thought that even if PEI Munian didn't love her, as a man, he would never allow his woman to make him a cuckold, not to mention being pregnant with someone else's child. No man could tolerate this kind of thing.

Sure enough, as soon as she finished speaking, PEI Munian's hand suddenly grabbed her lapels. He held them so tightly that she was even lifted up slightly.

He fiercely, word by word, opened his mouth, "su Wan, you dare to tease you dare to tease you.

He was clearly so fierce, but PEI Munian's eyes unknowingly became wet.
