PEI Munian's lips curled up as if he was smiling, but there was only endless darkness in his eyes. His hands were clenched tightly and he was eager to move. It was as if he wouldn't be able to control himself and wanted to break her throat if su Wanwan said one more word.

PEI Munian stretched out her hand and grabbed su Wanwan's wrist with great strength. She pulled her and strode towards the office door. Su Wan was caught off guard and could only stagger.

When he walked out of the office, PEI Munian shook off her hand. Then, he turned around and walked back to the office. The door slammed heavily in front of su Wanwan, deafening her ears.

Su Wanwan stood in the same place in a daze. She didn't know if it was because everything happened too suddenly or if she was scared, but she didn't react for a while.

Assistant Wu heard that voice and quickly came out of the secretary's room. Seeing the scene in front of her, she couldn't help but look at su Wan with some pity. It seemed that she and the big BOSS once again fell through.

How did a good marriage end up like this, Yingluo?

Assistant Wu took a few steps forward and looked at su Wanwan's slightly red eyes and pale face. She comforted her in a low voice, " young Madam, don't be sad, Yueyue. Boss PEI has been in a bad mood recently. It's not too late for you to come again when he's in a better mood, Yueyue.

In the future?

Su Wanwan's hand unconsciously clenched the divorce agreement in her hand. She wanted to laugh, but her tears fell uncontrollably. She and PEI Munian had signed this divorce agreement. From now on, they were two separate people with no future.

Su Wanwan closed her eyes and sniffed hard. She wiped her tears and then forced a smile at assistant Wu. assistant Wu, thank you. Thank you for taking care of me during this time, but Wanwan ...

Su Wanwan raised the divorce agreement in her hand and continued, " I've already signed a divorce agreement with PEI Munian. Don't call me young Madam anymore.

Assistant Wu looked at the agreement in shock. She didn't expect the big BOSS to agree to the divorce.

Su Wanwan didn't say much to assistant Wu. She nodded slightly at him, then turned around and left.

Although the divorce agreement had been signed, it did not mean that they could get a divorce. She had to hand this agreement to the lawyer and let him handle the divorce procedures. Only when everything was settled would she truly sever her relationship with PEI Munian.

To prevent any accidents from happening, she had to hand this divorce agreement to the lawyer as soon as possible!

Su Wanwan walked towards the elevator. As she walked, she took out her phone and called the lawyer.

Assistant Wu was stunned and couldn't react at all. Previously, Big Boss was so determined not to agree to the divorce. What did this miss su say to force him to sign the divorce agreement?

Assistant Wu unconsciously looked at the tightly shut door and couldn't figure it out. Then he heard su Wanwan on the phone, as if she was meeting a lawyer.

Did Wanwan's Big Boss and miss su really go their separate ways?

Assistant Wu was still thinking about it when the office door was suddenly pulled open. PEI Munian's tall figure appeared behind the door. Assistant Wu was stunned and could not help but ask, " B-boss PEI, what's wrong? "

"Where's Su Wanwan?"

PEI Munian's voice was very low and deep, but there was an undetectable urgency in it.
