

Deeply 42

Chapter

42 I won't disturb you (2)

From the moment su Wanwan helplessly agreed to grandpa's marriage to PEI Munian, she was mentally prepared. In PEI Munian's eyes, this marriage was her unscrupulous scheme. He was forced to marry her and must hate her to the core, so she could only bear all his anger and hatred.

She was really mentally prepared, but Huahua was still hurt by his words.

It was so piercing and merciless.

Su Wanwan's hand clenched her phone tightly, her eyes couldn't help but turn red. She opened her mouth and wanted to say something, but it was as if something was stuck in her throat and she couldn't say anything.

The two of them were silent on the phone. After a while, su Wanwan heard a click sound from the other side and the phone was hung up.

Su Wanwan maintained her posture of answering the phone and sat in a daze. Then, she slowly closed her eyes and a touch of crystal tears fell from the corner of her eyes.

—

Although PEI Munian and su Wanwan said that they had an appointment at nine in the morning, su Wanwan tossed and turned in bed after receiving the call last night and couldn't fall asleep. When she fell asleep, it was almost three or four o'clock. However, when the sky was still slightly bright, she automatically opened her eyes.

She knew that this marriage registration was just a formality and did not have any real meaning. However, she still picked out the dress style and color that PEI Munian liked from the closet and sat in front of the dressing table, carefully putting on a beautiful makeup for herself.

After all, Yingluo is still married, Yingluo.

When she went downstairs, nanny li looked at su Wanwan's beautiful and moving appearance and couldn't help but praise her, "miss, you're really beautiful today. Are you going to attend some banquet?"

Su Wanwan subconsciously lowered her head and sized herself up. The corners of her lips gently rose, "thank you.

After all, she was a girl, and it was impossible for her not to like being praised for her beauty. However, she wasn't going to attend a banquet, but rather, she was going to Hanhan.

Su Wanwan pursed her lips and said softly, "I'm getting married today.

Nanny li was bewildered for a moment, but she quickly reacted and smiled. congratulations, miss. I wish you and Sir a happy and blissful life.

Happy and blissful for a hundred years?

Such beautiful words probably didn't need to be used on her.

When su Wanwan arrived at the Civil Affairs Bureau, it was only 8:30 pm. There was still half an hour before the agreed time. She walked into the waiting room, sat on the bench in the corner, and waited quietly.

Although it was Monday, there were still many people who came to register their marriage. The huge waiting room was almost full of people. Most of them were sweet couples, snuggling up to each other and flirting with each other. She sat there alone, looking out of place.

Su Wanwan looked on and couldn't help but feel a trace of envy in her heart.

It was a once-in-a-lifetime marriage. Who wouldn't want to spend the rest of their lives with the person they loved? and she, that man, was indeed the man she loved deeply, but he didn't love her. In fact, he even hated her.

Half an hour passed by in a flash. Su Wanwan looked up at the door and did not see PEI Munian's figure.

She didn't pay much attention to it. Nine O'clock was the time for work, and the traffic in L city was terrible. She might have been stuck on the road, so she sat down and continued to wait.

Time ticked by. Half an hour passed, an hour passed, two hours passed, and PEI Munian still had not appeared.
