426 The happiness that she stole (10)

PEI Munian's throat tightened and his Adam's apple rolled up and down. He carried su Wanwan up and let her sit on his lap, facing him.

His long arms wrapped around su Wanwan's slender waist. His other hand gently pinched su Wanwan's chin, wanting to kiss her back. However, when his face gradually approached, his black eyes met su Wanwan's wide-open eyes.

Her eyes were clear, confused, and innocent. Her long eyelashes blinked, and PEI Munian stopped in her tracks.

The fire in his body was still there, and the desire to kiss her was still there. It was just that he knew that su Wanwan's so-called kiss just now didn't have any meaning at all. She didn't know what she was doing. Besides, Huahua, she was now as pure as a child. In the face of her pure face, he really couldn't bear to bully her. Huahua.

Su Wanwan didn't understand what PEI Munian was doing, but his embrace made her feel at ease and comfortable. She leaned towards him, her head rubbing against his chest. She found a comfortable position and snuggled up.

PEI Munian was already fighting with his own desires. Su Wanwan's careless action made the anger he had suppressed burn even higher.

PEI Munian closed her eyes and took a deep breath.

Su Wanwan's unconscious teasing was really fatal. She teased him and still had an innocent look on her face, but he still had to restrain his reaction. Yingluo was really angry, but he still had to maintain a smile.

PEI Munian's body temperature gradually rose. He didn't dare to let su Wanwan lean in his arms like this again. Otherwise, he was afraid that if he wasn't careful, he wouldn't be able to control himself and it wouldn't be good to scare her.

PEI Munian was about to carry the woman in her arms away when there was a commotion at the door.

PEI Munian paused for a moment and looked at the door. However, the door was closed and she did not see anything, but she heard a voice.

He vaguely heard a familiar voice, and his eyes suddenly turned cold.

The coldness that suddenly exuded from his body made su Wanwan a little afraid. Her body trembled unconsciously and the way she looked at PEI Munian also had a trace of fear.

PEI Munian noticed su Wanwan's body trembling and he came back to his senses. In that instant, his eyes returned to their extreme gentleness. The corners of his lips lifted slightly and he stroked su Wanwan's face as if comforting her. He said softly, "Wanwan, you stay here and read. I'm going out for a while. I'll be back soon."

He picked su Wanwan up, moved her from his legs to the sofa, handed her the book on the table, and kissed her red lips. Then he got up and walked towards the door.

PEI Munian opened the door and raised her eyes. Her gaze fell on Gong Lingyu, who was entangled with his bodyguards, and his eyes darkened.

He closed the door and walked over.

When Gong Lingyu saw PEI Munian come out, he glared at her with extreme anger in his eyes. If looks could kill at this moment, PEI Munian would already be riddled with holes.

“PEI Munian, you despicable villain!” He shouted angrily.

His angry scolding could not stir up any emotion in PEI Munian. His gaze did not even change as he walked to Gong Lingyu and stood in front of him. His thin lips parted slightly as he spoke, pausing after every word. Wanwan needs to rest. You’ve disturbed her.

Gong Lingyu laughed in anger after hearing his words.
