

Deeply 432

432 Uninvited guest (2)

Su Wanwan dazedly let PEI Munian kiss her. For a moment, it was as if she couldn't react. She didn't understand what this meant, but she had done this before. She only thought that PEI Munian thought her mouth was delicious, so she was playing with her.

Su Wanwan's dazed look made it even more convenient for PEI Munian. He pried open her teeth without any effort and wrapped around her, trying to invite her to dance with him.

Su Wanwan had only had her lips against PEI Munian's and had never experienced such a deep kiss. She felt the strong and aggressive aura coming from PEI Munian. A trace of fear floated in her heart and she began to struggle.

PEI Munian didn't suppress su Wan, but followed her struggle and hugged her. The two of them got up from the ground, but he still didn't stop kissing. When su Wan wanted to escape, he grabbed her waist, lifted her up, and placed her on the sink. His hands once again held su Wan's face and kissed her deeply.

She didn't know how much he missed her and how much he desired her. Her unintentional action and gaze could ignite a fire in his heart, making him lose his mind and lose control.

PEI Munian's kiss was too infatuated. Su Wanwan didn't know how to resist and gradually fell into his kiss. Her body softened a little and she weakly snuggled up to him.

Su Wanwan's gentleness made the light in PEI Munian's eyes darken and throb more. He held su Wanwan tightly in front of him and his lingering kiss slowly moved down from her red lips to her white neck, leaving his mark little by little.

Su Wanwan felt that her body was very strange. She was afraid of PEI Munian like this and also afraid of this unknown feeling. She wanted to push him away but found that the powerlessness in her body had been taken away without her knowing. She couldn't even raise her hand.

As PEI Munian kissed her, her big palm caressed su Wanwan's body. She deftly unbuttoned her buttons and removed the wet clothes on her.

When her clothes fell to her shoulders, her bare skin touched the air. Su Wan's body trembled unconsciously. Her blurred consciousness finally recovered a little and her strength also seemed to have returned-little. She reflexively raised her hand and pushed PEI Munian hard.

This push made PEI Munian's movements stop for-moment. His eyes-which were filled with desire-were also stained with a trace of rationality. He panted heavily and slightly pulled the distance between the two of them. His black eyes stared deeply at su Wanwan and his voice was extremely hoarse. Wanwan-can you? "

He knew that su Wanwan didn't have any ability to judge right now and didn't know what he was doing. Even if he asked such a question, it was equivalent to bullying her. But Hanhan really missed her and they still had to be together in the future. Such intimate behavior was only natural, wasn't it, Hanhan?

Su Wanwan looked at PEI Munian blankly as usual. However, because of the kiss just now, her eyes were a little more blurred, her cheeks were flushed, and her breathing was a little rushed. So much so that

those bright red lips were slightly opened. Under the light, it seemed to be covered with a thin layer of water, tempting to taste.

At this moment, she was like a ripe peach, exuding a mesmerizing fragrance, but she was unaware of it.

PEI Munian's last bit of rationality disappeared in an instant. He let out a low growl from his throat and picked su Wanwan up again. He walked out of the bathroom and walked towards the big bed.
