

Deeply 452

452 Our past (2)

PEI Munian's Black eyes met su Wanwan's wide-open eyes. She held her hand and asked gently, "what's wrong?"

Su Wanwan looked at him with doubt and dissatisfaction. niannian, where are you going? "Why don't you sleep with me?"

He had been sleeping with her all this while. She was already used to it. She had to sleep in his arms, or she wouldn't be able to fall asleep.

PEI Munian was stunned for a moment before she smiled and said, "Wanwan, you sleep first. I'm going to deal with some things. I'll come back later to sleep with you, okay?"

The blood in his body was boiling, and he had to calm himself down. Otherwise, he wouldn't be able to sleep. Furthermore, he had to hold the mosquito-scented warm Jade in his arms, and he couldn't guarantee that he wouldn't be unable to hold it in again.

"No, I want to sleep with you!" Su Wanwan directly hugged PEI Munian's arm, as if she was afraid that he would run away. what if you die again? "

PEI Munian couldn't help but have a headache. It wasn't good to be too naive. It was easy to hold on to a problem.

Wanwan, I promise I won't die. I'll be back soon, okay? "

Su Wanwan's hands clenched even tighter and she firmly shook her head.

PEI Munian touched her forehead. It seemed that he had to accompany su Wan to sleep first. After she fell asleep, he would be able to deal with his burning desire. The pain would still be tormenting him.

"Alright, I'll sleep with you."

PEI Munian helplessly agreed. He lifted the blanket and lay down. Su Wanwan automatically rolled into his arms and reached out to hug him.

PEI Munian glanced at her satisfied little face. He was really in pain and happy at the same time.

Their bodies were tightly pressed together again. As long as PEI Munian's eyes weren't paying attention, he would be able to glance at su Wanwan's snow-white skin. It was as if he had been electrocuted and quickly retracted his gaze. He didn't even dare to look at her. He even directly turned su Wanwan over in his arms, hugged her from behind, and coaxed her to sleep.

It was just that when her body turned over, his hot iron-like place stuck together with su Wan's buttocks. This was even more fatal.

PEI Munian hurriedly shifted her body back, putting some distance between them.

After su Wanwan felt it, she also subconsciously moved her butt. The void was filled up at once and she stuck to PEI Munian's thigh tightly. His forehead was covered in hot sweat.

he couldn't help but lie down on his side. who knew that su wanwan also quickly changed her posture with him. she turned around and put her hands and feet on his body, holding him like a big plush doll. that soft ball was pressed against his chest again.

PEI Munian's hands clenched into fists, and the veins on the back of her hands were popping. She couldn't help but curse in her heart.

It's fine if he can't eat su Wanwan, but now she's torturing him like this. Let's see how he'll get back at her when her body recovers!

Finally, su Wanwan fell asleep and her breathing became long and even. PEI Munian gently moved su Wanwan away from his arms, got off the bed, and went straight to the bathroom.

This shower took even longer. When he came out, PEI Munian was no longer sleepy. He took a short nap on the sofa and planned to go out for a run when the sky was slightly bright to vent his excess energy.

PEI Munian ran along the path on the mountainside. After a while, someone suddenly ran up behind her.
