"I-I'm fine now."

Su Wanwan replied hesitantly. Her eyes were still staring at Gong Lingyu, trying to find a trace of him in her mind, but it was in vain.

it's good that you're alright. It seems that PEI Munian still has some conscience! Gong Lingyu could not help but grit his teeth at the mention of him.

Su Wanwan heard his tone and was unhappy. how can you say that about niannian? " He's very good to me, I won't allow you to say anything bad about him!"

Gong Lingyu's heart ached at the way su Wanwan was protecting PEI Munian. She had forgotten everything and was imprisoned by PEI Munian. Whatever ideas he instilled in her, she could only follow those ideas. She didn't know that she was lying next to the person she hated every day. If she remembered it one day, how sad would she be?

Wanwan, PEI Munian isn't a good person. You've only been deceived by him!

Su Wanwan's eyes widened and she glared at him. She retorted without hesitation, " you're not a good person!

Gong Lingyu looked at su Wanwan's suddenly flushed face and clenched his hands tightly, as if he would rush up and fight him to the death if he said another word. The words that were on the tip of his tongue were swallowed back.

He had asked the doctor and knew that su Wanwan's current situation was extremely guarded against strangers. To the current su Wanwan, he was a stranger and naturally wouldn't easily believe his words.

Gong Lingyu took a deep breath and suppressed the anxiety in his heart. He waved his hand at su Wanwan, showing weakness. Wanwan, okay, it's my fault. I shouldn't have casually said things about PEI Munian.

PEI Munian was now the closest person to su Wanwan. If he wanted to gain her trust, he could not say anything bad about PEI Munian.

Gong Lingyu apologized so simply that su Wanwan couldn't be angry with him.

After a pause, Gong Lingyu lowered his voice and said in a coaxing tone, " Wanwan, you don't have any memories of the past anymore. Do you want to know what happened in the past? "

What happened in the past?

Of course, su Wanwan wanted to know what happened in the past. No one liked their memories to be blank. you, you know about my past? "

"Yes, if you want to know, I can tell you everything."

She clearly wanted to get her memories back, but she didn't know why, but at this moment, she actually flinched a little. This was because the man's words just now made her feel uneasy.

Su Wanwan gently bit her lip and hesitated for a while. In the end, she couldn't resist her curiosity and asked, " alright then. Tell me, what happened to me in the past? "

Gong Lingyu's eyes relaxed and he heaved a sigh of relief. He was so afraid that su Wanwan would resist him and then he wouldn't be able to tell her the truth.

Wanwan, I'll tell you everything, but this isn't the place to talk. Let's find a place to have a walk.

Before Gong Lingyu could finish his sentence, he heard footsteps behind him, followed by PEI Munian's deep voice. Wanwan? "

Gong Lingyu's eyes turned cold. PEI Munian was here! Once he found out that he was here, he would definitely have no way to get close to su Wan.

In a moment of desperation, Gong Lingyu could only say, " Wanwan, if you still want to know about the past, then don't tell PEI Munian that you've seen me before. Tonight at midnight, I'll be waiting for you at the mountain behind the hotel. Come here alone, understand? "
