Chapter 49 I won't disturb you (9)

She paused for a moment, pursed her lips, and continued, "or, after this matter calms down, we can get a divorce.

When Mrs. PEI had suggested not holding the wedding for the time being, she had agreed because of this concern. She knew that her marriage with PEI Munian would not last long. PEI Munian hated her so much, so how could she possibly keep her by her side? so, it was good that they did not hold a wedding. At least, she would not be too embarrassed when they got divorced.

Treat her as non-existent divorce

She had just registered their marriage in the morning, and now she was divorcing him in the evening.

Even though he knew that she married him because she had ulterior motives, she had revealed her true colors a little too quickly. She had abandoned the bridge after crossing it.

PEI Munian looked at su Wanwan saying these words as if it was a matter of course and the anger in her heart rose. He was so angry that he laughed, and his eyes were cold."Su Wanwan, you're really good!"

Su Wanwan didn't know what she said wrong again. PEI Munian suddenly flew into a rage. The coldness in his eyes made her shiver.

PEI Munian curled her lips and her voice seemed to be hiding ice. su Wan, after getting benefits, you want a divorce, right? I've spent so much money to marry you. Do you think I married you just for decoration? Wouldn't that be a huge loss for me?"

PEI Munian's blunt words made su Wanwan's face turn white in an instant. She didn't mean it that way at all, Yingluo.

"I'm Yingying."

Su Wanwan opened her mouth and wanted to explain to him. However, PEI Munian didn't want to hear any words that he didn't want to hear from her. When she said the first word, he suddenly pulled su Wanwan into the room and strode towards the big bed.

Su Wanwan was caught off guard and staggered to follow him. His steps were big and hurried and she almost fell. Then, she was thrown heavily into the soft bed.

When her back touched the mattress, su Wanwan immediately realized what PEI Munian wanted to do. Her black pupils suddenly shrank and she subconsciously wanted to get up. However, PEI Munian was one step ahead of her. His tall body pressed down on her and his hands held her hands.

PEI Munian looked down at her, a cold smile on her lips. Her voice lowered, but it carried a strong sense of danger. su Wanwan, whether the investment I gave you will be in your account tomorrow will depend on your performance tonight!

His performance tonight? What did he mean, Yingluo?

Su Wanwan's eyes widened and she looked at PEI Munian blankly, as if she couldn't understand his meaning.

PEI Munian looked at her and felt that she was being exceptionally sarcastic. She was clearly full of schemes, but she had to put on this innocent look every time.

He would not be deceived by her again, never again!

"Since you like to use your body as a trade so much, I'll fulfill your wish!"

He said the last few words through gritted teeth. As soon as he finished speaking, he kissed her heavily.

His kiss was extremely rough, crushing her lips without mercy, as if he was venting something. It was more like a bite than a kiss, as if he wanted to tear her apart.

Su Wanwan's eyebrows were in pain and cold sweat seeped out on her forehead little by little.

A kiss was supposed to be a sweet and moving thing, but at this moment, PEI Munian's kiss only contained surging anger and monstrous hatred. She really wanted to push PEI Munian away and stay far away from him. She did not want to do such things with him at all, but she was too embarrassed to do so.
