PEI Munian pretended to take her hand back. Su Wanwan didn't think and immediately reached out to grab his hand, nodding repeatedly. I'm willing, I'm willing, I'm willing!

These three "I do" were louder than the last.

Probably no one thought that su Wan would be so unreserved and could not help but be somewhat dumbfounded.

PEI Munian's eyes were filled with a smile. He took the ring out of the jewelry box, held su Wan's hand, and slowly put the diamond ring on su Wan's ring finger. He also lowered his head and his thin lips gently kissed the back of her hand.

PEI Munian stood up and swept her gaze across the crowd again. thank you for witnessing this. Our wedding will be held soon. I welcome everyone to come and attend the ceremony.

PEI Munian's lips curled up. She didn't have any scruples and turned from the guest into the host. She held su Wanwan's lips, pressed them into her mouth, and shared the sweetness with her.

Young master PEI's wife, Yingluo, was really bold. On such an occasion, she pounced on him and kissed him as she pleased.

It was unknown whether the crowd was stunned or not, but the scene was strangely quiet until a few claps could be heard from the stage.

everyone's attention was attracted by the voice again. the one who clapped was gu ningyi, the president of MK group. he had a devilish smile on his face and a lazy voice that was charming. " a perfect couple, shouldn't we give them our blessings? "

Hearing Gu Ningyi's words, everyone came back to their senses and started clapping along with him. The applause was thunderous, and everyone gave their blessings.

PEI Munian and su Wanwan ended their passionate kiss. Their foreheads were against each other, and their eyes were full of affection. PEI Munian's nose brushed against su Wanwan's nose, and her voice was low and pleasant. Wanwan, are you satisfied with this announcement? "

Su Wanwan nodded without hesitation.

PEI Munian laughed lightly. you don't know shame.

Su Wanwan didn't care if she knew shame or not. Anyway, PEI Munian had announced to the world that she was his wife. Finally, now, finally, everyone knew that he was hers. Su Wanwan smiled and leaned over to kiss PEI Munian.
