### 516 Nightmare (2)

PEI Munian could not help but shake her head and laugh.

He didn't know how a person with such strong willpower like him could be so vulnerable in front of su Wan. It was as if no matter what happened, as long as she smiled softly, everything would be fine.

"Let's go," he said.

PEI Munian put her arm around su Wanwan's slender waist and brought her out of the cabin. They went to retrieve their luggage and left the airport gate. They didn't see assistant Wu, who was supposed to pick them up, but the driver of the old residence.

The chauffeur stepped forward and respectfully said to PEI Munian, "Young master, Madam asked me to come and pick you up."

PEI Munian furrowed her brows. Did his mother have to be so impatient?

When su Wanwan heard the word "Madam," her heart suddenly thumped. Ever since she heard from her father-in-law that her mother-in-law had a bad opinion of her, she had an inexplicable fear of this mother-in-law and her body unconsciously shrank into PEI Munian's arms.

PEI Munian sensed su Wanwan's nervousness. His eyes immediately darkened and his voice turned cold. we've been on the plane for the whole day today and I'm a little tired. Go back and tell mother that I'll bring Wanwan back to the old house tomorrow.

"This Yingluo."

"What's wrong? Do I need to repeat myself?"

PEI Munian's voice was neither warm nor cold, but there was a strong sense of oppression coming from her. The driver quickly shook his head. I wouldn't dare, young master. Then, do you need me to send you back to the villa? "

"No need."

PEI Munian hailed a taxi and opened the door. He put his hand on su Wanwan's head and protected her as she got into the taxi. He then got in and told the driver the address of the villa.

The driver stood where he was and watched the taxi drive away. He sighed helplessly, took out his phone, and called the old residence.

Butler Xi picked up the phone and mumbled a few words in response. Her expression suddenly turned bad. After hanging up the phone, she looked at Mrs. PEI, who was trimming the flowers at the side, and stammered, "Madam, that Wanwan.

Mrs. PEI seemed to have sensed something and raised her head abruptly. Munian isn't coming back? "

Butler Xi nodded his head slowly. elder Chen said that young master is tired from the flight, so he went back to the villa to rest. He will bring young Madam over tomorrow.

Mrs. PEI slammed the flower branch and scissors in her hands onto the table and sneered. tired? In the past, he had worked for half a month without getting tired, but now he was tired after a ten-hour flight? He's just afraid that I'll bully his wife."

Madam, please calm down. Young master just came back from a business meeting. It's inevitable that he'll be tired. Butler Xi quickly advised.

Mrs. PEI took a deep breath and suppressed her anger. She leaned back on the sofa, but she still couldn't calm down. tell me, what's the use of raising a son? With a wife, you'll forget about your mother."

"It's fine if it's a good wife, but it has to be this Yingluo."

When Mrs. PEI thought of su Wanwan, she couldn't help but have a headache. She did like su Wanwan before because she was sensible and knew her limits. Mu Nian liked her too, so she was happy to fulfill her wish. But what happened after that? What ridiculous things had she done?

Mrs. PEI didn't want to think about it anymore. She closed her eyes and rubbed her temples. After calming herself down, she opened her eyes and looked at Butler Xi. tomorrow, ask Weiwei to come back.

Butler Xi was stunned for a moment, then she was overjoyed. She nodded and suppressed her joy."Yes, Madam."
