519 Nightmare (5)

PEI Munian was caught off guard and was pushed down by su Wanwan. He was stunned for-moment, then the corners of his lips curled up evilly and his voice was tinged with a bit of flirtatiousness. Wanwan, so you like this? ”

He paused for a moment and his voice became even lower. but I like it too.

A hoarse voice rippled in su Wanwan’s ear. PEI Munian’s slender fingers inserted into her black hair, held the back of her head, and pressed down. The two lips touched and deeply entangled together.

For the sake of the present, su Wanwan was particularly active tonight. PEI Munian kissed her and she kissed him back. He touched her and she learned to touch him. It was just that she didn’t have any techniques and only touched him randomly. However, it instantly ignited the wild desire in PEI Munian’s heart.

PEI Munian secretly scolded her for being a Little Vixen. She hugged su Wanwan and rolled around for a while. As the world spun, their positions were reversed. He was on top and she was on the bottom. He kissed her red lips while he buried his extreme desire for her deep in her body.

A low groan slowly reverberated in the night.

The car slowly drove into the PEI family’s old residence.

Su Wanwan looked at the main house that was gradually approaching in front of her and unconsciously grabbed PEI Munian’s hand. Her whole body became nervous.

PEI Munian held su Wanwan’s hand and her warm palm covered the back of su Wanwan’s hand. Her voice was as gentle as ever. I’m here, don’t be afraid, okay? ”

Su Wanwan didn’t want to be afraid. She also wanted to keep calm and give her mother-in-law a good impression, but her hands and feet were shaking uncontrollably.

After the car stopped, the driver opened the door and PEI Munian got out of the car. Su Wanwan didn’t move for a long time. PEI Munian smiled helplessly and reached out to her. Wanwan, come.

Su Wanwan pitifully blinked her big eyes and weakly said, ” “Must I go?”

Wanwan, mother likes you. Believe me, okay? ”

PEI Munian’s soft voice made su Wanwan’s uneasy heart calm down a little. She took a deep breath, as if she had mustered up her courage, and then slowly put her hand on PEI Munian’s hand.

PEI Munian held her hand and got out of the car. She helped her tidy her hair and dress, then held her hand firmly and walked towards the door.

“Young master, you’re back.” Butler Xi greeted her with a smile. Then, he turned his eyes to su Wanwan and his smile faded a lot. He was about to call her young Madam or miss su when he saw PEI Munian’s

Black eyes sweep over her. Butler Xi's expression turned cold and he instantly put away his disrespectful thoughts. He politely called out, " young Madam.

Because su Wanwan didn't know who she was and PEI Munian didn't introduce her, she only smiled gently as a response.

PEI Munian and su Wanwan changed their shoes at the entrance and walked to the living room.

Mrs. PEI was sitting on the sofa in the living room and making tea. When she looked up, she saw PEI Munian holding su Wanwan's hand and walking in. She sized up the two of them without a trace and her gaze was fixed on their tightly intertwined fingers.

Su Wanwan saw a graceful and luxurious woman sitting on the sofa from a distance. She knew that it was her mother-in-law. She swallowed her saliva and tried to keep herself calm. In the end, she was still too nervous and actually tripped over her own foot, her body falling straight forward.

The next second, she fell to the ground, but she couldn't care about the pain. She was afraid that her mother-in-law had a bad impression of her. She thought of something and said to her mother-in-law, "Mom, I'm giving you a big bow!"
