PEI Munian's body stiffened. She frowned and looked at Mrs. PEI with her dark eyes.

His gaze was a little intimidating, and even Mrs. PEI felt a sense of oppression. However, she still had to say what she needed to say. I've already asked old Zhao. Wanwan's recovery is going well. She has a chance to slowly recall the past. If she remembers the past, will you still be as good as you are now? "

PEI Munian's hands, which were by her sides, suddenly clenched tightly. His thin lips were pursed into a cold line. After a long while, he opened his mouth and said in a slightly obscure voice, " she won't remember!

"You're just deceiving yourself!"

Mrs. PEI did not hesitate to expose his timidity. if you really think that she will never remember it, you would not be so anxious to announce your marriage and have children!

PEI Munian's expression turned ugly.

Seeing him like this, Mrs. PEI's heart ached and she felt helpless. She took a step forward and lowered her voice. son, I'm your mother. Of course, I want you to be happy, but Wanwan isn't suitable for you. Her memory is like a time bomb. No one knows when it will explode. I just don't want her to hurt you again.

PEI Munian closed her eyes.

He had already thought of all the consequences the moment he made the decision. How could he not know that he was taking a risk out of desperation? But so what?

Even if it was only for a minute or a second, he had to fight to keep su Wanwan by his side. He couldn't let her go.

When PEI Munian opened her eyes again, her expression had returned to normal and her gaze was firm. mom, even if Wanwan regains her memory, we'll be fine. You don't have to worry about this.

Mrs. PEI was really annoyed that PEI Munian was so stubborn. Munian, what if it's not like this? "

"If not, I'll gladly endure it!"

PEI Munian's voice was low and she suddenly laughed. mom, do you know that every minute and every second of Wanwan and I are now precious to me? I've stolen happiness.

Precious and precious, stolen happiness Kasaya

It was just a few short words, but it carried a heavy weight that pressed directly on Mrs. PEI's heart. She was stunned, and her feet were a little unsteady as she took a step back.

Her son had always been a proud Son of Heaven. Everything was at his fingertips, but he could only carefully steal a happiness?

Wanwan and I won't be staying here for dinner. Since dad is back, please send our regards. We'll be leaving first. PEI Munian turned around and left the balcony.

Before PEI Munian turned around, su Wanwan had already run back to the living room and sat on the sofa. However, her face was slightly pale and her hands and feet were cold.

PEI Munian strode back to the living room, took su Wanwan's hand, and pulled her up from the sofa. Wanwan, let's go.

However, he frowned and looked at su Wanwan in surprise. Wanwan, why is your hand so cold? " And why is your face so pale?"

Su Wanwan's Black eyes flickered and she quickly lowered her eyes. She covered her head and said, " i have a slight headache."

"another headache?"

PEI Munian's eyes turned cold. Without a word, she picked su Wanwan up and walked towards the door.

Xi Zhiwei was just getting out of the car and about to enter the house when she saw PEI Munian carrying su Wanwan out and bumped into her.
