### 540 Misdirection (10)

The phone's ringtone suddenly rang, scattering all the messy reverie in su Wanwan's mind and pulling her back to reality in an instant. She picked up the phone and the two words "mumble" flashed on the screen.

Su Wanwan's nose couldn't help but feel a trace of bitterness.

Why did she have to be so nice to someone she felt guilty about? it was the first time she realized that guilt could hurt someone so much.

Su Wanwan wiped the tears from the corner of her eyes, sniffed hard, suppressed her crying voice, and made a few " ah " sounds. After making sure that her voice had returned to normal, she picked up the phone, " Hello.

"Wanwan, why did you take so long to answer the phone? You and mom are still shopping?" The man's voice was as deep and pleasant as ever, as pleasant as a musical note.

The sourness in su Wanwan's heart surged. She swallowed her saliva and replied, " no more.

"Finished? Then why didn't you call me?"

I, I just walked around by myself. I didn't look at my phone and didn't see your text message.

"I see. Are you still there? I'll go pick you up."

Su Wanwan was silent for a long time.

A strange look flashed past PEI Munian's eyes. Wanwan, what's wrong? Are you still listening?"

Su Wanwan didn't know that lying to the person she trusted and liked would be such a terrible thing. She had just casually lied and her heart was already in turmoil. PEI Munian had been lying to her all this time and she could still act as if nothing had happened. Was it because she didn't love her?

"Wanwan?"

"Yes, I'm here." Su Wanwan quickly replied, but her voice was hoarse.

PEI Munian's sharp senses sensed that something was wrong and her eyes immediately darkened. what's wrong with you? Why did his voice change? Are you feeling uncomfortable again?"

Before su Wanwan could answer, she already heard the sound of a chair dragging across the floor from the other end of the phone. PEI Munian seemed to have stood up. Then, there was the sound of clothes being put on. His voice came again, with a strong sense of worry, " where are you now? "

"Speak!"

PEI Munian's voice couldn't help but be a little louder, shocking su Wan. She blurted out, " hospital, I'm in the hospital!

"Wait for me!"

PEI Munian came very quickly. It was as if su Wanwan had just hung up the phone when he pushed open the door of the ward and strode forward with his long legs. He looked at su Wanwan's pale face, stretched out his arms, and forcefully held su Wanwan in his arms.

Su Wanwan listened to his heart beating wildly and his rapid breathing. Her eyes turned red again.

If he had not treated her so well, she would not be so sad and indecisive now.

She didn't care for his guilt, but she couldn't bear to part with his love.

"Wanwan, do you have a headache again? Or are you feeling uncomfortable somewhere?" PEI Munian let go of su Wanwan slightly and looked her up and down with her black eyes. Seeing that her face was completely pale, her eyebrows were tightly knitted.

She didn't have a headache, nor did she feel uncomfortable. She was pregnant.

If she didn't know anything, she would have hugged him happily and told him about this good news. But now, she opened her mouth but couldn't say anything.

"Wanwan?" PEI Munian couldn't help but call out to su Wanwan again.

Su Wanwan's state of mind was too abnormal. PEI Munian's eyes darkened. Wanwan, what's wrong with you? "

"Wanwan's pregnant!"

A voice suddenly came from behind.

Yu Jia pushed open the door and walked in.
