

Deeply 55

Chapter 55 Payment in installments (5)

When PEI Munian returned, it was already past eleven o'clock at night. As the villa was located in the suburbs, it was extremely quiet at this time. It was unlike in the city where there was still a clamor at midnight.

In order to wait for PEI Munian, su Wanwan leaned on the sofa in the bedroom and watched TV. She was a little drowsy.

The sound of the car entering the main gate woke her up. She sat up straight and ran to the window in a few steps. She stuck her head out and looked out. Indeed, she saw PEI Munian's car slowly driving in.

Su Wan's heart suddenly started to beat wildly. She took a few deep breaths, trying to ease her heartbeat, but she heard the sound of a man's footsteps, walking in step by step. Not only did her heart not slow down, it beat even faster.

The sound of footsteps came from far to near. Every step seemed to step on su Wan's heart. After that, she heard the door lock twist. The next second, the bedroom door was pushed open and PEI Munian walked in.

This man was as graceful as ever. His every move was filled with extreme elegance and devastatingly beautiful posture.

PEI Munian walked in and headed straight to the changing room without even looking at her.

Su Wanwan's breathing tightened slightly. Then she swallowed her saliva, forced herself to calm down, and followed him to the changing room.

PEI Munian was taking off his suit jacket. Su Wanwan saw this and quickly went forward to help him take off his jacket and hang it up.

When she turned around, PEI Munian had already pulled off her tie. Su Wanwan reached out to take it, but he didn't give it to her. Instead, he threw it on the ground.

Su Wanwan's hand froze for a moment. She lowered her eyes, squatted down silently, and picked up the tie.

PEI Munian looked down at su Wanwan, who was squatting in front of him. Her eyes turned cold and she snorted softly. Then she turned around and walked out.

Su Wanwan placed the tie properly and followed him out.

She was two steps behind him. Her hands that were hanging by her sides clenched tightly. She took a light breath and said softly, "you, have you eaten? Do you want me to heat up the food?"

It was as if PEI Munian did not hear her. She continued to ignore her and strode towards the bathroom.

Su Wanwan bit her lower lip, mustered up her courage, and continued, "then do you want to take a shower? I'll go get you some hot water."

PEI Munian suddenly stopped in her tracks.

Su Wanwan didn't expect that he would suddenly stop and directly hit his back. His body was hard and the impact made her feel pain, but she couldn't care about the pain at all. She took a few steps back and put some distance between her and PEI Munian.

"Yes, Yingluo."

Just as she was about to apologize, PEI Munian's mocking and sarcastic words were already coming at her.

"Su Wanwan, did you forget what I meant by satisfaction? what kind of satisfaction is that? If you're so insincere as to ask me if I've eaten or if I'm going to take a shower, you might as well be more direct and use your body to please me. The second sum of money will be immediately transferred to your SU group's bank account tomorrow!"

Su Wanwan's body trembled slightly and her hands clenched even tighter.

PEI Munian curled her lips, her eyes full of mockery. He took two steps forward and sat on the big bed. With his arms crossed, he said arrogantly, "let's start. Anyway, you're so skilled at seducing men. You don't need me to teach you, right?"

Su Wanwan froze in place. She only felt as if she had been pushed into an ice cellar, her whole body cold.
