Chapter 58 Payment in installments (8)

The bedroom gradually quieted down. The two bodies just leaned against each other. No one spoke first, no one moved first. Inexplicably, there was a kind of self-deception, a feeling of peace and quiet.

PEI Munian seemed to have noticed it and suddenly looked at her with his black eyes. He didn't expect su Wan to look at him so infatuatedly. His black eyes narrowed and there was an extra sense of inquiry in the bottom of his eyes.

Su Wanwan's heart thumped. She was afraid that PEI Munian would see through her thoughts. Without thinking, she blurted out, "are you satisfied with tonight?"

PEI Munian didn't have time to think about what su Wanwan's gaze meant when she was interrupted by su Wanwan's words.

PEI Munian propped up her body and looked down at su Wanwan from top to bottom. Her black eyes stared at her tightly. That gaze seemed to see through her body.

Su Wanwan's scalp went numb from his stare. Her hands and feet were stiff and she didn't know how to place them. When she was about to give up, he finally opened his mouth. su Wanwan, I've seen shameless people, but I've never seen someone as shameless as you!

Su Wanwan's eyelashes trembled fiercely. Then, she curved her lips, as if she didn't hear what he said. Her red lips opened slightly, "if you're satisfied, I'll have to trouble you to transfer the second sum of money to our company's account tomorrow. If you're not satisfied, I can continue.

PEI Munian was so angry by her words that she laughed out loud instead. He stood up without hesitation, grabbed the phone on the bedside table, and quickly dialed assistant Wu's number. The moment the call connected, he said in a cold voice, "transfer the second sum of money to the SU family's company account. Immediately, immediately!

After that, he hung up the phone and said to su Wanwan on the bed: "Su Wanwan, with your rotten performance, you still have the nerve to ask me if I'm satisfied? However, I'll still give you this sum of money. Just treat it as me doing a good deed every day!"

Su Wanwan froze on the bed and didn't move until the deafening sound of the door being slammed rang out. She blinked. The corners of her lips still maintained the arc that was curved just now, but tears had already slid down the corners of her eyes.

She raised her hand, wanting to wipe away her tears, but the more she wiped, the more tears she shed. In the end, even her palm was wet.

It's okay, it's okay. After this sum of money was transferred to her account, the SU group would have nearly three months to deal with it. As long as she did a good job on this project, she would no longer need to rely on PEI Munian's money. By then, she would no longer need to make any deals with him and she would no longer need to listen to his hurtful words.

It'll be fine then, it'll be fine, Yingluo.

After the second sum of money was transferred, the project that was previously put on hold due to a shortage of funds could finally be restarted. Su Wanwan also used this as an excuse to tell Su Zhenhua that she wanted to go back to the company to work.

Su Wanwan settled the funds in one night. Su Zhenhua probably felt that there was no problem with her relationship with PEI Munian, so he agreed to let her come back to work.

Su Wanwan was responsible for the publicity and advertising of this project. In order to obtain greater profits, su Wanwan planned to invite famous stars to be the product's spokesperson.

According to her request, Xiaomei selected the most suitable female star from many stars, then sorted out her information and sent it to su Wanwan.

Su Wanwan opened the document. Just by seeing the name of the female star, her eyebrows couldn't help but furrow!
