

## Deeply 592

592 I'm his only wife (2)

Everyone knew about the escape from the marriage a year ago. Everyone also knew that today was the day to announce PEI Munian and Xi Zhiwei's marriage. Then, everyone tacitly agreed that PEI Munian and su Wanwan had a relationship long ago. Now, su Wanwan called them dad and mom, which really shocked everyone.

Mr. And Mrs. PEI looked at each other and saw the confusion and confusion in each other's eyes.

Xi Zhiwei, on the other hand, felt as if a bomb had exploded in her ears when she heard how she had addressed her parents. Her ears were buzzing.

Only PEI Munian, who was standing on the stage, had her eyes turn dark and her thin lips pursed into a cold line.

Mr. PEI had been in the business world for a long time, so he was the first to react. He coughed lightly and said, "Wan, miss su, Wanwan.

dad, even if we haven't seen each other for a year, you don't have to treat me as an outsider. Just call me Wanwan like you used to. Su Wanwan's face did not turn red, and her heart did not beat fast. The words she said were very natural, as if there was no estrangement between her and PEI Munian.

Father PEI was suddenly at a loss for words after being interrupted by her.

Xi Zhiwei also reacted quickly and stepped forward. She looked at su Wan with eyes that could not suppress her anger and could not maintain her calm. Her words became a little sharp and mean. su Wanwan, today is the PEI family group's mid-year celebration. You're an outsider, don't randomly recognize relatives here. Everyone knows each other. It doesn't look good.

Su Wanwan just smiled. She turned her face and tilted her head slightly. She glanced at Xi Zhiwei and nodded in agreement. yes, it's quite embarrassing for an outsider to randomly recognize relatives here. I didn't expect you to know your own limitations.

Self-awareness?

Xi Zhiwei's eyes quickly sank. Was su Wanwan really stupid or just pretending to be stupid? she was talking about her, but she pushed the blame onto her. Now, who was the outsider? wasn't it clear at a glance?

sister Wanwan, even though you were once married to brother mu Nian, I'm his fiancée now. I can understand your regret, but you also know that there's no medicine for regret in this world. You have nothing to do with brother mu Nian now. I'm Wanwan.

"You're PEI Munian's wife, aren't you?" Su Wanwan unhurriedly followed Xi Zhiwei's words.

Xi Zhiwei was stunned for a moment. Then, she lifted her chin and nodded proudly. of course.

Su Wanwan looked at her and couldn't help but cover her mouth and burst into laughter.

Xi Zhiwei was confused by her smile. what are you laughing at? "

I'm laughing. I just said that you have self-awareness, but in the end, you still don't know what's good for you. Even though mistresses are rampant in this world, it's the first time I've seen someone as shameless as you.

Su Wanwan's voice carried a smile, but her words were not polite at all.

Xi Zhiwei's face suddenly turned green and white. you, who are you calling a mistress!

"You've already stood up and admitted to it, do you still need to ask?"

"Su Wanwan, you're teasing me."

Mother PEI finally came back to her senses at this time. She saw su Wanwan ridiculing Xi Zhiwei with her sharp tongue, causing her to lose face. The guests around her looked at her as if they were watching a good show and were even discussing it. Suddenly, she couldn't keep her face.

One must know that su Wanwan was a past daughter-in-law, but Xi Zhiwei was the present. If she was ridiculed, the PEI family would not have a good face.
