

## Deeply 596

596 I'm his only wife (6)

Su Wanwan blinked and couldn't react in time.

PEI Munian's Black eyes narrowed and she took a step forward. The distance between the two of them closed and the sense of oppression became heavier. Su Wanwan was shocked by his aura and couldn't help but swallow her saliva.

She didn't speak and seemed to have angered PEI Munian. He raised his hand and supported her face with a thud. His hard chest was close at hand and her lower jaw was cold and hard. His eyes seemed to want to tear her whole body apart. His tone was deep and fierce. su Wan, what exactly do you want to do!

What do you want to do, Yingluo?

Before this, su Wanwan had already thought about what she wanted to say when she saw PEI Munian. She clearly had a stomach full of words, but at this moment, her mind was blank and she couldn't say anything.

"I'm Yingying."

Su Wanwan's Red lips wriggled. She didn't know if she was frightened by PEI Munian's gaze, but some words blurted out without thinking. I, I came to snatch the bride!

As soon as the words came out, su Wanwan was stunned for a moment. Then, she wished she could bite off her tongue. What the hell, how could she say this!

PEI Munian also seemed to be surprised by su Wanwan's words, but she still felt that she was ridiculous.

A year ago, he had held such a small hope that he could move her, that she would give him a chance to make it up to her, that he would love her and take care of her, but what was the result? In front of everyone, she had abandoned him at the Grand wedding that he had carefully prepared. She had even given him an abortion sheet and firmly cut off the ties between them, saying that they were even.

A year later, she came back without any warning, appeared in front of him without any warning, and said that she wanted to snatch the bride without any warning. What did she take him for? Come and go at your beck and call?

"Su Wanwan, what qualifications do you have to ridicule me?"

PEI Munian laughed, but her voice was extremely cold. The words she said were extremely cruel. appear in front of me again? "

So it wasn't that he didn't have any harsh words to say, but that it had only just begun, Yingluo.

PEI Munian was still the same as before. The words she said were so harsh and easily pierced into her heart, stabbing into the most painful place.

However, compared to PEI Munian's indifference and indifference to her, she was more used to PEI Munian being like this. At least he would still be angry because of her, and he would still have emotions

because of her. She could still influence him, and it also proved that he had not completely forgotten her, right?

“Niannian Yingluo.”

Even though they had been separated for a year, when su Wanwan opened her mouth, she still called out that familiar name, the name that they called each other when they were intimate.

However, she had just finished speaking when she was interrupted by PEI Munian’s low and ruthless voice. we’re not that close. Don’t call me that. I don’t want others to misunderstand anything!

The remaining words were stuck in su Wanwan’s throat. Su Wanwan’s long curly eyelashes trembled and her eyes unconsciously turned red.

She knew that her escape from the marriage and the abortion papers she gave PEI Munian had hurt him badly. It was only natural that he hated her now. She had no right to complain, but she could not help but feel sad.

She didn’t care how others denied their relationship, but when it came from his mouth, one sentence was enough to break her heart.
