

Deeply 602

602 I'm wooing you (2)

Su Wanwan walked in front of Gong Lingyu and stood still. Her gaze fell on his smiling handsome face and she gently said, "I didn't manage to greet you properly just now. Now, I'm back again. Lingyu, long time no see. I'm very happy to see you again."

After she recovered her memory, she did not see Ling Yu again. Thinking about how she treated him in that period of time, she felt a little guilty and uneasy. She did not expect him to not care about the past and help her like this today.

"I still owe you an apology for what happened before. Lingyu, I'm sorry."

Wanwan, I only want to hear the first part of what you said today. Forget about the second part.

He's still like this, always so unconditionally gentle, unconditionally forgiving. Su Wanwan's heart was filled with endless warmth. She gently pursed her red lips and smiled softly.

Gong Lingyu turned sideways and opened the door to the front passenger seat. I saw that you didn't drive here. I'll give you a ride.

Su Wanwan didn't act coy and nodded. okay. Then, she bent down and got into the car.

Gong Lingyu's hand was on su Wan's head. After he protected her and got in, he closed the door, went around to the other side, sat in, and started the car.

The car gradually drove away from the PEI residence and away from the hustle and bustle. Gong Lingyu glanced at su Wanwan beside him and took the lead to speak. Wanwan, I've known you for so long. You can always make me look at you in a different light.

Su Wanwan looked at him in surprise.

Gong Lingyu added, "the banquet tonight was very exciting.

Su Wanwan was stunned, then blinked a little embarrassedly. I've made a fool of myself. I didn't want to do that, but there are some things that I have to be strong.

no, you've done well. A year ago, when you ran away from our marriage, I was worried that you wouldn't be able to face reality, so you chose to run away. Seeing you like this today, I can finally rest assured.

"Lingyu Wanwan, sometimes I really don't know what words to use to express my gratitude."

Gong Lingyu couldn't help but chuckle. Wanwan, it's been so long. Do we still have to treat each other like strangers?"

It wasn't to the extent of treating him as an outsider, but

Su Wanwan glanced at Gong Lingyu and looked at his gentle eyes. A trace of complexity flashed in the bottom of her eyes. She had always known what he thought of her. Even when she recovered her memory, she also remembered that before she had her brain surgery, he accompanied her with all his

heart and touched her heart, making her say that if her surgery was successful, she would try to be with him.

However, the situation then was different from now. Things remained the same, but people had changed. She could no longer fulfill the promise from back then, and she was worried that he would always remember it in his heart.

Su Wanwan's Black eyes turned and she pretended to be careless: "Of course I won't treat you as an outsider, but I'm just afraid that your girlfriend will be unhappy."

Su Wanwan tried to sound him out. Gong Lingyu seemed to have understood what she meant. He replied, whether intentionally or unintentionally, "Wanwan, I don't have a girlfriend yet. You know that I've been waiting for you.

".....?"

Su Wanwan's Black eyes widened slightly. She actually guessed it right?

The red light at the intersection just happened to light up. Gong Lingyu stopped the car and looked at Su Wanwan from the side. He saw the confusion and panic in her eyes. He endured it, but in the end, he couldn't hold it in and chuckled. "Wanwan, are you afraid that I'm still waiting for you?"
