620 Pouncing on her (10)

No interest?

Then what was that hard and burning thing pressing against her thigh? Did he really think that she was still the ignorant su Wanwan from before?

Su Wanwan secretly gritted her teeth and lifted her foot lightly, intentionally or unintentionally rubbing it. Is there really no Hanhan? ”

She deliberately slowed down her tone and turned her face to the side. Her red lips breathed into his ear, and his body seemed to heat up again. Even his eyes were covered with a layer of mist.

PEI Munian looked at su Wanwan. Her exquisite face was dyed with a little charm. The dim light shone on her face, adding a touch of sexiness to her, and she could stir up people’s hearts.

PEI Munian’s eyes were dazed for a moment, and her heart wavered for a moment, but it was only for a moment.

He admitted that su Wan’s body was the same as before and had a fatal temptation to him, but he always had to pay the price for her seduction. He no longer wanted to play any equivalent exchange game with her!

Su Wanwan saw the wavering in PEI Munian’s eyes and thought that there was a chance. But unexpectedly, in the next second, PEI Munian pulled the quilt next to her and directly covered su Wanwan’s body, wrapping her head and feet.

Su Wanwan only felt darkness in front of her eyes and then her whole body rose into the air. It was as if she was carried on PEI Munian’s shoulder. After a few steps, she was put down heavily again.

Su Wanwan dizzily pulled open the quilt. Before she could see anything clearly, the sound of a door closing rang in her ear. She was stunned for a moment and stared at the tightly closed door in shock.

She, Yueyue, was actually thrown out by PEI Munian just like that?

Su Wanwan’s eyes widened and she quickly stood up from the blanket. She raised her hand to knock on the door. PEI Munian, you, you, you, you, you’re worse than a beast!

They had already come to this point, and he could still throw her out without a word?

Just as she finished speaking, the door was pulled open again. PEI Munian’s tall figure stood behind the door. The light in the bottom of her eyes was like ice, shooting fiercely at su Wanwan.

Su Wanwan’s angry face stiffened for a moment and then became as gentle as water in an instant. She quickly leaned against the door frame, deliberately puffed out her chest, and smiled seductively, ” niannian, I mean, even a beast is not as fierce as you.

“Ha.”

PEI Munian looked her up and down with a fake smile. Her thin lips opened slightly and she said word by word, "su Wanwan, if you still want to continue staying here, pay attention to your words and actions! Otherwise, it won't be thrown out of this door the next time!"

PEI Munian's fingers pushed su Wanwan's forehead hard. Su Wanwan was pushed back a step and then the door was mercilessly slammed in front of her again!

Su Wanwan stood in the same place for a long time. In the end, she couldn't hold it in and cursed. She didn't say anything wrong. PEI Munian, you're worse than a beast!

She had already pounced on him, and he had also reacted, but he was still able to remain calm. With such self-control, then wouldn't her plan to pounce on him and get pregnant with the baby again be declared a failure?

No, she couldn't be discouraged because of one failure. Since he didn't want to take the hot and raw attack directly, she should change her route and save the country in a roundabout way.

However, how could she be tactful?

Su Wanwan was thinking about this problem all night. She kept her eyes open until dawn. After sleeping in a daze for a while, she heard the sound of the door opening next door.
