Su Wanwan blinked. Was PEI Munian attracted to her? Then when he was in a daze and she pounced on him, he wouldn't be able to reject her, right?

Su Wanwan subconsciously held her breath and waited for his hand to touch her cheek.

The early morning breeze was gentle and the sun was warm. The man's hand seemed to carry the light of his palm and lightly touched her skin with warmth. It was as if an electric current flowed through and su Wan's heart trembled.

Su Wanwan's lips gently curved into a smile and unconsciously called out, " niannian.

PEI Munian's hand froze as she spoke. The infatuation and confusion in his eyes disappeared in an instant. He froze for a few seconds and his eyes quickly darkened. His hand seemed to have been stained with something dirty and he quickly retracted it.

"What are you doing here?"

A cold voice suddenly entered her ears. Su Wan was still immersed in PEI Munian's gentleness but was pulled back to reality in an instant.

PEI Munian's gentle gaze had disappeared without a trace and was replaced by a cold and distant look. Just now, she felt that even if she was soaked in cold water, she would still feel warm all over. Now, she could not help but shiver.

But wasn't he fine just now? Why did the atmosphere become so cold again?

Before su Wanwan could answer, PEI Munian continued to speak coldly and sarcastically, " I've said it before. If you still want to stay here, pay attention to your words and actions. Why? Do you really want me to throw you out of the villa?"

Yingluo, I'm only here to swim. I'm Yingluo, how am I being inappropriate? "

Su Wanwan hurriedly retorted, " I didn't see you here. Also, you were the one who reached out to me just now, not me!

As su Wanwan said this, she suddenly felt a little more confident. so, I didn't do anything to you. It was only you who did something to me. But don't worry, I won't mind.

Su Wanwan raised her small face and smiled shyly at PEI Munian with curved eyebrows.

".....?"

There was a fire dancing in PEI Munian's eyes, but she did not say or do anything. She swam straight to the edge of the pool and jumped with her hands on the ground. Her strong body rose from the water and she walked to the lounge chair. She grabbed his bathrobe and draped it over her body. Then, she strode into the house.

Su Wanwan couldn't help but feel anxious.

This was such a good opportunity to have skin to skin contact. Was she going to miss it again?

No, no, no!

Su Wanwan looked left and right. Suddenly, a light flashed in her head. She slipped and her body fell into the water. She raised her hands and struggled in the water, shouting, " help, Huahua, my feet are cramping. Help, Huahua.

PEI Munian subconsciously turned around and saw that su Wanwan's entire body was being pressed down by the water. She struggled to get up, but her hands and feet didn't listen to her. After struggling a few times, she sank down and even her cry for help was gone.

PEI Munian's heart suddenly thumped. Without thinking, she rushed back. She didn't even have time to take off her bathrobe and directly jumped into the pool, quickly swimming towards su Wanwan.

After su Wanwan sank into the water, her hands and feet seemed to be frozen. She closed her eyes and continued to sink. Suddenly, an arm came over and lifted her neck. In a flash, she was brought out of the water.

PEI Munian swam to the shore, carried su Wanwan out of the pool, and then put her on the ground. He squatted down and his big palm patted su Wanwan's cheek.
