

Deeply 632

632 He went with her?(2)

Listening to su Wanwan's resentful tone, Yu Jia teased, "it seems that you didn't succeed in pouncing on young master PEI. That's not right. Although you're a little thin now, you still have what you should have. A beauty took the initiative to throw herself into your arms, and young master PEI can actually sit still in his arms? Don't tell me you've given him a blow and he can't take it anymore?"

A doctor's words were not taboo. Su Wanwan raised her hand and hit her, retorting: "He's good, don't slander him."

"I thought you didn't succeed? How do you know he can do it?"

".....?"

Su Wanwan directly slapped the menu in front of Yu Jia. order your food.

Yu Jia ordered five or six dishes in one breath, all of which were meat dishes. Su Wanwan shook her head as she looked at them. what happened to losing weight? "

eat your fill before you lose weight. How can you lose weight without strength? "

"Alright, you win!"

The dishes were quickly served. Yu Jia ate happily, but su Wanwan didn't have much of an appetite. When Yu Jia saw her like this, no matter how good her appetite was, it was reduced. She put down her chopsticks, picked up the cup, and took a sip of water. Wanwan, don't worry. In my opinion, PEI Munian didn't pursue the matter of you causing a scene at the dinner party, and he didn't force you out when you moved into the villa. This proves that he still left a chance for you two. A small failure now is nothing. When he comes back from his business trip, you'll be able to take him down if you continue to work hard. Back then, didn't you also persevere and win him over by force?"

"How can it be so easy?"

Su Wanwan sighed. there are too many misunderstandings between niannian and I. I want to have a good talk with him, but he's not willing to listen to me. I don't know when he'll be back on this business trip. Besides, he cares a lot about Xiao Zeze. I'm always afraid of being exposed.

"Alright, don't scare yourself. Xiao Zeze's DNA results are in front of him. He won't suspect anything for no reason. You're just overthinking it because you have nothing to do. Why don't you go and find out where PEI Munian is on a business trip? if he doesn't return in ten days to half a month, you can consider flying over to look for him."

"I don't want to push him too hard, Yingying. I want everyone to calm down. Maybe when he comes back, he'll be willing to listen to my explanation."

After su Wanwan finished speaking, she saw that Yu Jia didn't listen to her at all. Instead, he looked behind her and faintly said, "Zhenzhen, when he comes back, you'll probably have no chance!"

Su Wanwan doubtfully followed her line of sight and looked over. At the table behind her, there was a person reading the newspaper. His back was facing them, and the headline of the entertainment section was.

During this period of time, Xi Zhiwei had frequently made the headlines because the incident of her causing-scene at the gala had been exposed. Xi Zhiwei's happy performance had been destroyed, and she had become-mistress. So, the reporters had been paying attention to her every move during this period of time.

Xi Zhiwei had disappeared for half a month. When she reappeared, she was at the airport. She had thought that she would be depressed, but when she reappeared at the airport, she did not look gloomy at all. Instead, she was full of smiles.

A reporter took a picture of her and a man. The man's face was not captured, but his back was captured. They were waiting for the flight together in the boarding room, and Xi Zhiwei was feeding the man cake.

Although it was only a blurry picture, the back of the man was clearly the PEI family's CEO.

Su Wanwan was stunned for a few seconds and widened her eyes in disbelief. Didn't PEI Munian go on a business trip? What?
