

## Deeply 633

633 He went with her?(3)

Yu Jia had already taken out his phone and searched for the latest news about PEI Munian and Xi Zhiwei. Three days ago, they had indeed gone out together. The report had hinted that their relationship had not changed and that the SU family's daughter might really be a thing of the past.

Yu Jia was scrolling through Weibo and reading all kinds of news. He was furious. What the hell is this? Reporters nowadays love to talk nonsense on Weibo.

Su Wanwan took Yu Jia's phone and quickly browsed through the news she had searched. Her eyes slowly froze and she stared at the picture of PEI Munian and Xi Zhiwei walking side by side.

It turned out that she had overestimated herself. She had thought that PEI Munian had gone on a business trip to avoid her, but it had nothing to do with her. He was just traveling with Xi Zhiwei.

For PEI Munian to bring Xi Zhiwei out, did she think that everything she had thought before was wrong and that he actually still liked Xi Zhiwei?

Because he liked her, he wanted to marry her. Because he liked her, he didn't mind appearing in public with her?

Yu Jia looked at Su Wanwan's expression and quickly snatched the phone back. What's there to see? "Reporters these days like to look at pictures and tell stories. They can tell a lot of stories even if there's a little clue. There's no need to believe these things."

Su Wanwan looked up at Yu Jia and smiled bitterly. You also said that they can only say it if there are clues. They can't say it without them.

Even if the other photos were fake, the photos of PEI Munian and Xi Zhiwei at the airport could not be fake, right?

"This photo doesn't look like it's photoshopped, right?"

Yingluo, Yingluo, that doesn't mean that they agreed to go together. Maybe they just happened to meet each other and happened to be on the same flight?"

Yu Jia couldn't help but say, "okay, I'm lying. I don't believe that there are so many coincidences in the world. What are you going to do now?"

Su Wanwan lowered her eyes and was silent for a while before she smiled: "I can't wait, so I have to take the initiative. I don't want to give Xi Zhiwei and Niannian a chance to be alone!"

Yu Jia let out a sigh of relief. Not bad, not bad. You should be more courageous. No matter what, you can't let that little bitch Xi Zhiwei get away with it.

Su Wanwan forced a smile.

Yu Jia's phone suddenly rang. Su Wanwan inadvertently glanced at it. It was Gong Lingyu's phone number and the caller ID was Lingyu. Surprise flashed in her eyes.

Yu Jia didn't expect Gong Lingyu to call at this time. She seemed a little nervous when su Wanwan saw her. Her hand trembled and she directly rejected the call. Then, she put the phone upside down on the table.

Su Wanwan raised her eyebrows and her eyes turned inquisitive. Yu Jia, that's Lingyu's phone call, right? " Why aren't you picking up? You guys can go ahead."

"No, I didn't! There's nothing!"

Yu Jia anxiously interrupted su Wanwan's words and shook his head hard. we are, we are just very ordinary friends.

Su Wanwan chuckled, " Yu Jia, I haven't said anything yet. Why are you in a hurry to deny it? " I thought there was nothing between the two of you, but now I think there must be something."

With this said, su Wanwan remembered that after she returned to China, every time she was with Yu Jia, she would more or less mention Gong Lingyu, but she didn't pay much attention at that time and didn't think much about it. It seemed that she missed something, ah, Yingluo.
