

## Deeply 644

644 Do you really hate seeing me that much?(4)

Su Wanwan turned over, pretended not to hear and continued to sleep.

PEI Munian bent down and directly picked su Wanwan up by the waist and walked towards the bathroom. Su Wanwan struggled a few times but couldn't break free. She simply put her arms around PEI Munian's neck and smiled insincerely. it looks like you're really going to help me wash.

PEI Munian walked into the bathroom and put su Wanwan down without any pity. He looked at the watch on his wrist and said, " I'll give you 15 minutes. If you don't want to go to the airport with this image, you'd better be quick.

With that, he turned around and left, slamming the bathroom door.

Su Wanwan gritted her teeth in anger, but she also knew that she couldn't resist PEI Munian now. If he wanted to force her back to the country, he would definitely let people watch her board the plane. Violent resistance would only lead to suppression.

However, no matter what, she was not willing to go back just like that. That old man had invited PEI Munian and Xi Zhiwei to the manor to play, and they were husband and wife. Who knew what would happen?

Even if her destruction was meaningless, she would not let them play together so happily!

Su Wanwan composed herself, her black eyes rolled around, then she slowly curved her lips and chuckled.

15 minutes later, su Wanwan walked out, refreshed. She didn't resist or make a fuss. She walked to PEI Munian and said lightly, " let's go.

PEI Munian looked at her and a trace of surprise flashed in her eyes. She did not expect her to change so suddenly.

you've already chased me away, so there's no need for me to shamelessly stay here and watch you two show off your love. I'm not a masochist! Su Wanwan took her luggage and dragged it out of the room first.

PEI Munian's eyes narrowed. She stared at her back for a few seconds before she strode forward and followed her.

When she opened the door, Xi Zhiwei also happened to open the door opposite her. When she saw su Wanwan dragging her luggage out, she smiled and said in a soft and gentle voice, " sister Wanwan, have a safe journey.

Su Wanwan's Black eyes swept over Xi Zhiwei's smiling face and she secretly gritted her teeth. Let her be proud for a little while. How could she, su Wanwan, admit defeat so easily?

Su Wanwan retracted her gaze, as if she was air. She ignored her and directly walked over.

The smile in Xi Zhiwei's eyes became a little cold.

PEI Munian came out from behind. Xi Zhiwei quickly composed herself and said, brother mu Nian, Mr. Lin's car will arrive at nine O'clock. If you're going to send sister Wanwan to the airport, you won't be able to make it in time.

Su Wanwan's footsteps in front of her stopped.

I'll get someone to send her there. You should get ready. I'll come up to pick you up later.

Xi Zhiwei's face immediately bloomed into a smile. alright, brother mu Nian. I'll be waiting for you.

Su Wanwan's grip on the luggage handle suddenly tightened, the veins on the back of her hand bulged one by one, and her fingertips were pale.

PEI Munian walked forward and reached out to take her luggage, but su Wanwan held on to it tightly and continued to walk forward.

The two people silently took the elevator. Su Wanwan looked ahead, but she could still clearly see her red eyes from the steel wall of the elevator.

When they walked out of the hotel, the car that PEI Munian had ordered was already waiting at the entrance. After the chauffeur placed the luggage in the trunk, he opened the door of the back seat and respectfully said, "Miss su, please."

Miss su, ah, ran ran.

She was miss su, and Xi Zhiwei was Mrs. PEI.

Su Wanwan sneered. Without looking at PEI Munian, she bent down and got into the car!
