

Deeply 649

649 Do you hate seeing me that much?(9)

This side of the horse track was even more vast. As far as the eye could see, it was all green grass. The breeze was gentle, and the grass on the ground rustled. When the wind blew on the body and smelled the fragrance of the grass, it could indeed make people feel happy. However, the scene of PEI Munian blocking the ball for Xi Zhiwei was still lingering in her mind. Su Wanwan's heart was extremely stuffy. The grass under her feet seemed to have become PEI Munian. She stepped on it fiercely again and again.

"Su Wanwan!"

That disgusting voice came from behind. Su Wanwan didn't turn her head and only said coldly: "I've warned you, don't provoke me!"

She was sad and angry now and didn't want to get entangled with her, in case she really couldn't hold it in and who knew what she would do!

Xi Zhiwei was completely angered by her tone. She took two or three steps forward and grabbed Su Wanwan's shoulder, angrily saying: "Su Wanwan, stop right there!"

Su Wanwan's eyes sank. She grabbed Xi Zhiwei's hand, turned around, and directly twisted her hand behind her back, making Xi Zhiwei scream in pain.

Su Wanwan sneered and shook off her hand.

Xi Zhiwei was thrown back and she fell onto the grass. She was so angry that her face turned green and white.

Su Wanwan ignored her and continued to walk forward. Xi Zhiwei struggled to get up, gritted her teeth, and shouted behind her, "Su Wanwan, brother mu Nian's attitude has already been so clear. Are you still going to stay here and embarrass yourself?"

Su Wanwan's footsteps stopped.

"Old master Lin invited me and brother mu Nian. We're husband and wife. Don't you think it's funny that you're barging in? You should use the words you used to scold me to warn yourself that even if you haven't divorced brother mu Nian, it's not the time for you to come between us!"

Xi Zhiwei looked at Su Wanwan's stiff back and smiled proudly. don't only have the face to talk about others, but don't have the face to talk about yourself!

Su Wanwan's hands that were hanging on both sides of her body clenched hard.

In fact, she never cared about what Xi Zhiwei said. Her words were meaningless to her and could not hurt her at all. But today, these words were deeply embedded in her heart because Qianqian had added PEI Munian's weight to her.

PEI Munian's admission was the heaviest blow. Xi Zhiwei was like a sharp weapon. Her hands were not made of iron, so she had no way of retaliating even after being injured by her.

if I were you, I wouldn't have the face to stay here any longer. To think that you can still hang around in front of brother mu Nian like nothing happened. Don't you think you're funny? "

"Let's have a match."

Su Wanwan suddenly spoke. There was no warmth in her voice. She raised her hand and pointed to the stables not far away. She turned around and her black eyes stared at Xi Zhiwei's face. didn't you want me to leave? " As long as you beat me in horse riding, I'll leave. On the contrary, if I win, you'll get lost!"

Xi Zhiwei looked at her in surprise. why should I compete with you? "

if you don't dare, then shut up. I'll be wherever I want. If you have to say that the old man invited a couple, then I'm more qualified to stay here than you, understand? "

".....?"

Xi Zhiwei gritted her teeth. When they were chatting earlier, elder Lin had hinted that he wanted them to stay for a few more days. Brother mu Nian would probably not reject it. Although they were husband and wife in the hotel, they had stayed separately. However, in front of elder Lin, they would definitely stay in the same room.
