Chapter 65 She just doesn't love me VII

PEI Munian's words were really like a sharp blade, stabbing at her again and again, as if she was dismembering her. Su Wanwan felt that her heart was flowing with bright red blood.

Sadness welled up in that instant, and she couldn't stop it. She lowered her eyes and covered the tears in her eyes. Then, she grabbed the nightgown that had slipped down and pulled it up. Her fingers clenched the collar tightly. She sniffed hard and suppressed her sobs. She tried to speak as calmly as possible, " I really didn't mean it that way today. I was just accidentally dazed just now.

"Accidentally?"

PEI Munian interrupted her rudely and laughed sarcastically. Her handsome face sank and her eyebrows were cold. The words she said became more and more bitter. you accidentally sneaked into my room, accidentally seduced me, accidentally took our erotic photos, and then accidentally exposed them. Su Wanwan, which time have you not been careless? I've said it before, don't even think about setting up a Memorial for yourself after becoming a whore!"

Su Wanwan's face turned green and white at PEI Munian's words. She was ashamed and embarrassed. Although what he said was really her carelessness, she didn't even have the right to explain. After all, Yingluo did marry him because of this matter and even used her body to exchange for his investment.

However, she was simply too upset, and her emotions were brewing in her body. Then, they rampaged and rushed straight up to her. She couldn't hold it in any longer and blurted out in a somewhat sulky manner, " anyway, I really didn't want to seduce you today!

As su Wanwan spoke, she got up from the bed, picked up the quilt and pillow, and said to PEI Munian, " i'll sleep on the sofa tonight. good night."

After that, su Wanwan walked towards the sofa by herself.

who knew that su wanwan hadn't even taken two steps when her wrist was suddenly clasped by a force. then, she was pulled from behind. her footsteps were unstable and her whole person fell directly onto the bed.

PEI Munian turned over and pressed down on her body. His hands clasped her hands and pressed them to the side of his body. His eyes seemed to contain monstrous anger and he laughed in anger. su Wan, are you ready to play hard to get with me now? "

Playing hard to get?

Su Wanwan blinked and clenched her hands tightly, forcing out a smile. PEI Munian, I think you've really misunderstood. I didn't want to seduce you, and I'm not playing hard to get. I just want to sleep now, please let me go!

as she spoke, she struggled with all her might, trying to break free from pei munian's grip.

But the more she struggled, the more PEI Munian suppressed it. Even from head to toe, a thick dangerous aura suddenly exuded. He curled his lips and his voice sounded low, as if it came from Asura hell. su Wanwan, the deal between us was started by you, but the one who has the final say is me!

Su Wanwan's brain had yet to react to what he meant when PEI Munian's kiss landed heavily on her lips. Su Wanwan's eyes suddenly widened, her face turned to the side, and she subconsciously avoided him.

Previously, he had hoped that she would resist and defend herself, but she was indifferent. Now that Madam su had some breathing space and she didn't need him anymore, she began to resist and didn't want him to touch her.

Su Wan's action was like the last straw that crushed the tight string at the bottom of PEI Munian's heart. He sneered and clasped her hands above her head with one hand. Then, he freed one hand and clamped su Wan's jaw. He forced it to straighten and pressed his lips down again.
