663 I don't want to owe her (9)

Because she didn't have any hope, she came over without dressing up after work. She thought that she could put up a show, have a meal, and then go home to her own mother.

She did not expect Dr. Xu to be so handsome. With just a casual glance, she knew that he was definitely a rare gem in the blind date team. Now that she had met him, she had to cherish him!

Yu Jia looked at herself in the mirror. After making sure that she was perfect, she pursed her red lips and smiled.

Such a handsome man was simply in short supply. This time, the professor did not cheat her. She would try to get him in one go!

Yu Jia put the things back into her bag, tidied her clothes, and walked out of the bathroom with her bag. She went straight to the table in the dining room.

She walked in front of Dr. Xu and looked at him. She blinked and said in a gentle voice, "Hello, are you Dr. Xu?"

She couldn't see his figure when he was sitting, but when he stood up, Yu Jia couldn't help but look up. Her figure was just a little above his shoulder, which was the best height for a couple. She glanced at his figure without a trace. Although he was wearing clothes, the suit made him look tall and slender. His figure should be good.

Only after reading a thousand sails could one see the best at a glance.

Yu Jia smiled and nodded. yes, I'm Dr. Yu. I'm sorry I'm late because of the traffic.

"It's fine, I just arrived."

Dr. Xu walked to the back of the chair and pulled it out for Yu Jia. Yu Jia was instantly mesmerized by him. He was handsome, polite, and so considerate. She was definitely lucky today. She was going to buy a lottery ticket later. Maybe she could win the first prize!

After Yu Jia sat down, her voice became gentler. thank you.

Dr. Xu smiled and returned to his seat. Then, he handed her the menu. Dr. Yu, take a look and see what you like to eat.

Yu Jia took the menu, looked at it, and ordered a clear soup and two vegetarian dishes. Doctor Xu couldn't help but say, "Is that all you need? Do you want to order anything else?"

Yu Jia shook his head and said reservedly, "this is enough. I don't eat much. Don't waste it.

Dr. Xu nodded approvingly. that's good.

He beckoned the waiter over and ordered the dishes that Yu Jia had mentioned. He also ordered two meat dishes.

The dishes were served quickly. Yu Jia picked up her chopsticks and tried to ignore the fragrant meat and vegetables in front of her. She picked up her vegetable and ate gracefully. Dr. Xu watched her eat with a smile in her eyes. work at the hospital is so busy. Are you sure you can eat so little? ”

“Sure, I don’t usually eat much.”

The smile in Dr. Xu’s eyes deepened. but I heard that you’re famous in the hospital for your big appetite. It seems that the rumors were wrong.

“.....?”

Which bastard was actually spreading rumors that she was a good-for-nothing behind her back?

Yu Jia smiled shyly. of course it’s a misunderstanding. How can a woman like me have a big appetite? ”

The man sitting at the table behind Yu Jia almost spat out the tea in his mouth when he heard her sweet voice and her words of defense.

Yu Jia’s appetite was bigger than his, and he didn’t like meat. How could he say that he had a small appetite? It was a blatant lie!

The man turned to the side and glanced at the woman behind him. Even though he could only see the side of her face, he could see the lust in her eyes, the smile on her lips, and the way her heart was rippling with love!
