666 I don't want to owe her (12)

Yu Jia was about to be angered to death by Gong Lingyu. He put on a fake smile. Gong Lingyu, did you not take your medicine today?"

"Yes, you are my medicine!" Gong Lingyu tightened his arms and held Yu Jia tightly in front of him. I can't live without you, Jiajia!

Doctor Xu's expression changed slightly. He frowned and there was a trace of anger in his eyes.

After all, no one would be happy to be played like this by others. However, his upbringing prevented him from saying anything unpleasant, so he only said in a deep voice, "I won't bother you anymore, Dr. Yu."

Dr. Xu looked at Yu Jia again and left.

it's not like that. Doctor Xu, don't go. Let me explain, Hanhan. Yu Jia tried her best to make him stay, but Dr. Xu still walked out of the dining room without looking back. When his figure completely disappeared from Yu Jia's eyes, her anger suddenly soared. She raised her hand and pushed Gong Lingyu away with a force that came from nowhere.

Gong Lingyu, say it yourself. Do you want to break an arm or a leg?" Yu Jia cracked her knuckles loudly and stared at Gong Lingyu as if she wanted to cut him into pieces.

Gong Lingyu chuckled and quickly raised his hands in surrender. Yu Jia, you can't be so petty, right? we're friends. When friends are in trouble, it's only right and proper to help each other.

"Help each other? Is that right?" Yu Jia repeated the words word by word and smiled. I only know that it's right for me to beat you up!

Yu Jiakai clenched his fist and threw a punch at him.

Yu Jia walked out of the dining room angrily. Gong Lingyu covered one of his eyes and followed behind her, saying, "Okay, okay, okay. Yu Jia, it's my fault. I shouldn't have used you as a shield. I apologize to you. I'm sorry. Don't be angry.

Yu Jia ignored him and walked faster and faster to her car. She unlocked the car and was about to open the door.

Upon seeing this, Gong Lingyu quickly walked forward and pressed one hand on the car door. "Yu Jia, are you really angry?"

Yu Jia had a carefree personality and basically didn't care about anything. Gong Lingyu was used to being casual with her, so he didn't expect her to really lose her temper. He couldn't help restraining his cheeky smile and continued, "Look, you've already punched me once. If you're still not satisfied, why don't you punch me a few more times until you're satisfied?"

Yu Jia didn't even want to look at him and said coldly, "Let go of your hand!"

'She's really angry.' Gong Lingyu looked at Yu Jia's cold face and felt a little upset. Yu Jia, is that doctor really that good? Why are you turning against me? He's just like that, a pretty boy. I really don't know what you see in him."

As he spoke, Gong Lingyu's tone became more disdainful. Yu Jia, to be honest, I'm doing this for your own good. He'll only have a good impression of you if you pretend to be a lady in front of him. If that's the case, he won't like the real you. When you reveal your true colors one day, he'll definitely dump you. I'd rather not have such a shallow man from the start!"

Gong Lingyu looked at Yu Jia's face that was getting colder and colder. His Adam's apple bobbed up and down as he showed weakness. okay, I was wrong. It's all my fault. I'll introduce you to a better man. He's a thousand times, ten thousand times better than that doctor just now. Is that okay? "
