680 Two-faced (10)

PEI Munian looked at su Wanwan but was unmoved.

Su Wanwan shrugged her shoulders and smiled. it seems that you care about me very much. That's why you can't be alone with me. You keep driving me away, right? "

PEI Munian sneered, as if she had said something ridiculous. trying to goad me into doing so? Sure, I'll sit with you."

PEI Munian took the lead and walked towards the Ferris wheel. Su Wanwan's lips curved and she followed.

The two of them sat inside the Ferris wheel. After the door closed, the Ferris wheel slowly rose.

Su Wanwan was a little afraid of heights, but at this moment, she was sitting opposite PEI Munian. Looking at his deep eyes, all her fear disappeared in an instant, leaving only peace.

Su Wanwan didn't speak. She only looked at PEI Munian's expressionless face and then silently counted the time.

When the Ferris wheel rose to the top, there was a second of pause. The afterglow of the setting sun shone on PEI Munian's handsome face, which seemed to have been carefully carved by God. The light enveloped his body, making him look like a god who had descended from the sky.

Su Wanwan opened her red lips at this moment and said softly, " "PEI Munian, I love you."

PEI Munian's eyelashes trembled and her eyelids slowly lifted. When she met su Wan's eyes, there seemed to be a momentary fluctuation in her eyes, but it disappeared in a flash.

even if you don't believe me, I still have to tell you that I returned to your side because I love you. So, even if you ignore me and keep pushing me away, I won't give up so easily.

On the way back, PEI Munian was as cold as ever. Su Wanwan wanted to see the slightest emotion on his face, but she couldn't do anything. She couldn't help but feel a little depressed.

Did he really not have any reaction to her carefully prepared confession? If she had any feelings for him, she would have had a reaction!

Or did he deliberately hide it because he didn't want her to see it?

People always said that a woman's heart was like a needle in the bottom of the sea. If she had to say it, a man's heart was truly like a needle in the bottom of the sea. It was completely impossible to see through and touch!

Su Wanwan glanced at PEI Munian with some resentment. As she looked, because she had played for a whole day, she was tired and a little sleepy. Su Wanwan leaned against the back of the car seat, tilted her head, and unconsciously fell asleep.

The car drove back to the villa and stopped.

PEI Munian looked to her side. The two of them had already fallen asleep. PEI Munian leaned slightly towards su Wanwan and called out in her ear, " "Su Wanwan, get up."

Su Wanwan seemed to have been disturbed. She frowned, tilted her head to the other side, and continued to sleep.

PEI Munian raised her hand and gently patted su Wanwan's cheek with her palm. Her voice was still so cold. su Wanwan, we're here. Get up quickly!

Su Wanwan's eyebrows furrowed even tighter, but she still slept soundly.

The driver in front glanced at the rearview mirror and said, " young master, young Madam should be very tired.

PEI Munian's hand paused for a moment. His gaze fell on her tired eyebrows. He pushed the car door open and got out. He went to the other side and opened the door. He first carried the sleeping Xiao Zeze out and handed him to the driver. Then, he bent down slightly, took su Wan's hand and put it on his shoulder. After that, he carried her horizontally.

PEI Munian sent su Wanwan back to the guest room and placed her on the bed. Just as she was about to straighten her body, su Wanwan suddenly raised her hands and wrapped them around PEI Munian's neck.

PEI Munian's movements froze.
