

Deeply 681

681 Try to start over (1)

Su Wanwan's thick and curly long eyelashes trembled slightly and opened and closed slightly. Her eyes seemed to be open but not open. Her voice was faint as if she was talking in a dream, " niannian, I love you. I'm sincere. Everything I said is true, Yingluo.

His low voice sounded as if something was knocking on his heart. PEI Munian was stunned, and her eyes flickered.

Su Wanwan opened her misty eyes and looked at PEI Munian for a while. Suddenly, she raised her head and her red lips slowly covered PEI Munian's lips.

Her kiss was very light and weak. PEI Munian could break free with a casual struggle. However, she did not know if he was too shocked to react or did not reject her and let her kiss him.

PEI Munian didn't push her away as coldly as usual. It was as if she was giving su Wanwan motivation. Su Wanwan hugged PEI Munian's neck tighter and tighter. She kissed him a little harder and pecked his lips.

PEI Munian's breathing gradually became unstable. It was as if he had been bewitched. The soft touch was like a feather tickling his heart, and his blood surged and boiled.

PEI Munian's Black eyes involuntarily closed a little. His hand also slowly reached out and embraced su Wanwan.

However, just as his hand was about to touch su Wanwan, su Wanwan's strength in kissing him gradually reduced. Slowly, her head tilted and she fell on PEI Munian's shoulder.

PEI Munian was stunned. Her black eyes looked at the woman on his shoulder. Su Wanwan's eyes were closed. Her breathing was light and long. She had already fallen asleep.

".....?"

PEI Munian looked at her and did not know whether to laugh or to be angry.

Why did this woman always give up halfway? One couldn't tell if he was teasing or being sincere.

PEI Munian pulled su Wanwan's hand down and placed her back on the bed. He pulled the blanket from the side and covered her body. He sat on the edge of the bed, his black eyes quietly staring at her face, and her words 'I love you' echoed in his ears.

His words were light, but they carried a heavy weight. How heavy was this to her?

PEI Munian's hand unconsciously reached out and her fingertips touched su Wanwan's cheek. She paused for a moment before she lowered her hand and gently rubbed it.

—

When su Wanwan woke up, the sky outside was already bright. The sun shone in, the light was dazzling and warm.

She opened her eyes in confusion and looked around. When she saw that she was in her familiar guest room, she heaved a sigh of relief, but then she frowned in confusion.

What was she doing here? Wasn't she supposed to be in the car?

No, the sun is shining brightly now. Isn't this the second morning? Su Wanwan looked at the clock on the wall in surprise. It was already past ten in the morning.

It was really the next morning. Yingluo thought she was still in the car, but the whole night had passed. But she was in her room now. Did someone carry her out of the car?

Who was carrying her? Would it be PEI Munian?

As su Wanwan thought of this, some hazy images floated up in her mind. It seemed that when the car returned to the villa last night, PEI Munian did call her, but she was too sleepy and didn't wake up.

After that, PEI Munian carried her back to the room. Then, she teased su Wanwan and thought about it. Her whole body suddenly quivered and her black eyes couldn't help but widen. She seemed to have kissed PEI Munian? Moreover, PEI Munian did not seem to have pushed her away.
