

## Deeply 69

Chapter 69 Why did you help her?(1)

Su Wanwan didn't want to recall last night. She tried hard to remove those embarrassing images from her mind, gently pursed her lips and said, "Grandpa, Zhenzhen."

Su Zhenhua raised his hand to signal her to keep quiet. Then, he continued, "you see, all men need to be coaxed, right? You just need to put in a little effort and PEI Munian won't block our funds. Look, the third sum of money was transferred to you so easily. Therefore, the decision that his grandfather made yesterday was the right one. Your job is to serve your husband well and make him happy. Once he's satisfied, he'll transfer the money over, and our company will be able to rise again. You're also working for the SU group and the SU family."

"Grandpa, you can't say that!" Su Wanwan couldn't help but interrupt Su Zhenhua, "we can't rely on the PEI family and PEI Munian for our entire lives. Now that we have a little more than enough funds on hand, we should put all our efforts into the project. As long as this project is developed, we may not need the PEI family's investment in the future."

"Wanwan, what nonsense are you talking about? What do you mean by we can't rely on the PEI family forever? Since you're married to PEI Munian, the PEI family will be our backing. Why don't you use such a strong backing? To develop on his own? If we only rely on our own development, when will we be able to rise again? Don't even mention surpassing the past!" Su Zhenhua chided her sternly. Suddenly, he seemed to have thought of something and his eyes darkened. Wanwan, have you always had such thoughts? is that why you're so uninterested in mu Nian? "

Su Wanwan was too excited just now and accidentally said all her thoughts. Now that she was questioned by Su Zhenhua, she couldn't help but feel a chill down her spine.

She unconsciously licked her dry lips and swallowed her saliva. Her voice lowered. grandfather, I didn't mean it that way. I'm Hanhan.

"It's best if you don't mean it that way!"

Su Zhenhua didn't want to listen to su Wanwan's explanation at all. He continued, "no matter what you think, I want you to remember that the only important thing for you now is to cultivate a good relationship with PEI Munian and make him fall in love with you. Make him fall in love with you and be loyal to you!

Let PEI Munian fall in love with her? To make PEI Munian fall head over heels for her?

If Grandpa wasn't sitting in front of her, su Wanwan would definitely laugh out loud because this was really an extremely ridiculous thing.

It wasn't that she wasn't willing, but even if she spent her entire life working hard, PEI Munian would never fall in love with her. Grandpa was simply talking nonsense.

Su Wanwan's Red lips gently wriggled. She wanted to say something, but in the end, she still gave up.

She thought that no matter what she said to her grandfather, he would not care. All he wanted was to obey and carry out orders, not to refute.

Su Wanwan's hands clenched tightly. Then, she nodded slowly. okay, Grandpa, I'll agree to anything you say. I'll cultivate feelings with mu Nian well. I'll work hard to make him fall in love with me and make him fall in love with me. But Grandpa, you must also promise me that I won't be suspended. I'll still be responsible for the work on my hand. Don't worry, I won't neglect mu Nian because of work anymore. I'll come home on time every day to accompany him, okay? "
