As soon as su Wanwan walked out of the consultation room, she immediately took out her mobile phone from her bag, opened WeChat, found Gong Lingyu's profile picture, clicked on it, and quickly typed a text message and sent it.

After sending the message, su Wanwan put away her phone and the corners of her lips curled up.

She could feel that Gong Lingyu was a little special to Yu Jia, and Yu Jia didn't seem to have no feelings for him at all. Since that was the case, why not give it a try? who knew, there might be a chance!

It would be great if Gong Lingyu and Yu Jia could be together. Gong Lingyu was a good man, and Yu Jia was a good woman. They would definitely be happy!

After Yu Jia got off work, she took off her doctor's robe and tied up her loose hair. She left the hospital with her bag, got in the car, and drove to xxx club.

Although Yu Jia hadn't been here for a while, the people who often came to the club to exercise still recognized her and greeted her.

Yu Jia went to the changing room, changed into her sportswear, and came out.

Her coach came over and greeted her. "What do you want to practice today?"

Yu Jia looked around at all the sports equipment and finally fixed his eyes on the boxing ring. He pointed his chin at the ring. let's practice boxing today.

The coach raised his eyebrows and teased, "I feel like you're a little angry today. What's wrong?" Did another patient offend you?"

A patient?

Yu Jia thought about it and nodded in agreement. Wasn't it Gong Lingyu, that lunatic who didn't take his medicine?

The coach handed Yu Jia A pair of boxing gloves, and she put them on skillfully. Then, the two of them stepped into the ring. The coach held the target and made an attacking gesture with one hand. Yu Jia punched the target, one punch after another.

Yu Jia's attacks were so fierce that even the coach couldn't take it. After one round of practice, the coach stopped him and said, "Let's take a break. I'll go drink some water."

Yu Jia nodded and walked to the corner of the ring. He picked up a bottle of water, twisted the lid, and took a sip.

"Yu Jia, what a coincidence. You're here too."

A familiar voice rang in Yu Jiayi's ear. Yu Jiayi turned his head and saw Gong Lingyu, who was dressed in sports attire, standing below the ring. He looked at her in surprise. why are you also exercising in this club? " I'm also a member here."

Yu Jia swallowed a mouthful of water and replied with an " Oh ", " really? " What a coincidence, when did you arrive?"

"I just ran ran." Gong Lingyu wanted to say that he had just arrived, but he was afraid that Yu Jia would notice that he had followed her here, so he changed the subject. I was jogging over there. I've been here for a while.

A while?

Yu Jia's Black eyes sized him up without a trace. He looked fresh, without a drop of sweat, and his breathing was even, without any trace of exercise.

Yu Jia curled her lips coldly. then you should exercise.

She put down the water bottle, put on her boxing gloves again, and prepared to continue practicing. However, Gong Lingyu also stepped onto the ring and said anxiously, " Yu Jia, since we've run into each other, let's exercise together. I'll treat you to a meal when we're done, okay? "

no, you do your exercise, I'll do mine. We're not close, move!

Gong Lingyu remained unmoved. Yu Jia, how long are you going to be angry about what happened last time? " I've already apologized to you, so you should take a break."

"I told you to get out of the way!"

Yu Jia scoffed, then unceremoniously did a back spin kick at Gong Lingyu.
