Seeing PEI Munian's figure disappear at the corner of the stairs, su Wanwan's lips curved up. She turned to the kitchen, heated up the dishes she had prepared, and brought them out one by one.

PEI Munian changed into loose home clothes and walked down the stairs. Her posture was straight, handsome, and elegant. Even if it was just casual home clothes, she could still look extremely handsome. Su Wanwan looked at her and couldn't help but feel her mouth go dry.

At this moment, PEI Munian seemed to be much more charming than the cold young man who had made her fall in love at first sight. Moreover, the more he had been hanging on to her during this period of time, the more she wanted to conquer him. Her pursuit of him was much more intense than before.

Su Wanwan bit her lower lip and slowly clenched her hands. PEI Munian, let's see if you can escape from my palm tonight!

PEI Munian walked into the dining room. Su Wanwan quickly pulled out a chair for him and made him sit down. Then, she handed him the soup she had ladled. have a bowl of soup first. I've been cooking it for the entire afternoon. It must taste good.

"Is that so?" PEI Munian took it and took a sip.

Su Wanwan opened her eyes and looked at PEI Munian. She asked nervously, "how is it? It's good, right?"

PEI Munian's Adam's apple moved up and down as she swallowed the soup. She raised her eyebrows slightly. it's better than the last time. At least the taste is normal.

Su Wanwan retorted, unconvinced, "it's much better than the last time, okay? Can't you just praise me for being so patient?"

PEI Munian raised her head and finished the rest of the soup in her bowl in one gulp. She then presented the empty bowl to her. is this compliment alright? "

"You're not sincere enough!" Su Wanwan pretended to be angry. unless you finish the soup I made tonight!

PEI Munian chuckled and nodded. sure.

Su Wanwan's eyes suddenly brightened. She picked up the chopsticks and handed them to PEI Munian. I'll do as I say. Eat the vegetables first and drink the soup after eating.

PEI Munian looked at the table full of dishes-mutton, oysters, and her eyes flickered. why did you think of cooking these dishes today? " Aren't you a little too angry?"

"Ahem, aren't you very busy with work recently? It's fine if you always eat something casual at the company because it's not very nutritious, so I wanted to make a good meal for you to nourish your body. You don't have to worry about getting heaty. The soup I made today is to reduce heaty, so just eat it. "

Su Wanwan finished her sentence without blushing or panting. She also picked up her chopsticks, picked up a dish, and put it in PEI Munian's bowl. She smiled and said, "Let's eat,"

PEI Munian's lips curled up. Without saying anything, she picked up the bowl and chopsticks and started eating slowly.

Su Wanwan also ate, but most of the time, she was putting food on PEI Munian's plate. Watching him eat bit by bit, su Wanwan couldn't hide the curve of her lips.

Su Wanwan came out of the shower and glanced at the clock on the wall. It was already past 11 O'clock in the evening. She sat in front of the dressing table. After applying skin care products, she took out perfume and gently sprayed it on herself a few times. Through the mirror, she looked at the man who was leaning on the bed and looking at his hand and smiled.

She got up and walked to the side of the bed. Lifting the blanket, she snuggled in and leaned her soft body against PEI Munian. Resting her head on his shoulder, she said gently, "Niannian, What are you looking at?"

As su Wanwan approached, a faint fragrance came to his nose. It was not that kind of strong fragrance. The breath was very clear and light, seemingly there and not there, but it could stir up people's hearts more and more.
