Like?

Yu Jia chuckled and nodded without hesitation. of course I like Dr. Xu. He's handsome, gentle, and considerate. He comes from a good family and has the same profession as me. We have common topics and can understand each other. Why wouldn't I like such a good man? In the end, because of you, everything was messed up! Shouldn't I be angry with you?"

Yu Jia's words were full of doctor Xu's good points. Gong Lingyu was extremely upset. He had known Yu Jia for more than a year, but he had never heard her say anything good about him. How long had she known doctor Xu?

Gong Lingyu said in a muffled voice, 'are you only looking at these external conditions? If he was really that good, he wouldn't have to come for a blind date. Maybe he has some hidden disease. Don't be fooled by those external things!"

Yu Jia frowned and retorted, " didn't you go on a blind date too? Do you also have an unmentionable disease?"

"How could I have it!"

"Yeah, if you didn't, then Dr. Xu definitely didn't!"

you've only known him for less than a month. Do you really have to put in good words for him? " Gong Lingyu glared at her in dissatisfaction, and the words that came out of his mouth were a little unconcealed. there are so many people who are much better than doctor Xu. Do you have to look like you're willing to sacrifice yourself for her? " It's too unsightly to eat!"

She didn't even have the time to eat, so she was ugly?

Yu Jia was so angry that he laughed. yes, he's much better than Dr. Xu, but he's the best person I can meet. I'm aiming for marriage, so what's wrong with choosing a good husband for myself? What's wrong with me working hard to fight for my beautiful marriage? What right do you have to laugh at me? What right do you have to ruin my blind date? You bastard!"

Yu Jia slammed the table hard, causing it to creak and shake a few times. Gong Lingyu's heart couldn't help but shiver as he subconsciously tried to defend himself. I didn't do it on purpose either.

In fact, he felt a little guilty when he said that. When he ruined Yu Jia's blind date, he kept telling himself that it was because he wanted to get rid of miss Wu, but in fact, he knew that was not the real reason.

He couldn't figure out what was wrong with him at that time. He just didn't want to see Yu Jia and Dr. Xu talking so happily, and he didn't want to see Yu Jia smiling and talking to him so gently.

It was an extreme eyesore! She was not that kind of woman!

"You didn't do it intentionally?"

Yu Jia repeated his words under his breath and became angrier. you're going to let it go just because you said you didn't mean it? Do you know that I might never be able to meet a man as good as doctor Xu again?"

She kept calling him 'doctor Xu' and 'doctor Xu'. Gong Lingyu felt a little angry after hearing that. His head suddenly heated up, and he growled, " I'll take responsibility, I'll take responsibility, okay? "

Take responsibility?

Yu Jia's eyes widened in shock and she looked at him in a daze. The voice in her throat suddenly stopped.

Gong Lingyu only realized what he had just said after he shouted. He was stunned.'This is crazy. What did I just say?' He actually said he had to take responsibility for Yu Jia?

To him, Yu Jia had always been a good brother and a good friend. Although there was an accident that night, he didn't have any romantic feelings for her. Although he had given up on Wanwan, in terms of feelings, he liked Wanwan's type, not Yu Jia's type. How could he be with her?
