

Deeply 703

703 There's a problem with the child (3)

He was really driven into a corner by Yu Jia, and his mind was in a daze.

Gong Lingyu coughed and hurriedly added, " I'll be in charge, Wanwan. I'll help you find someone better than Dr. Xu. I promise I'll take responsibility, okay? "

One second was heaven, and the next was hell. Yu Jia could finally taste it.

She didn't know when it started, but she slowly started to notice the man beside her. Even though every time he asked her out, it was because he was sad about Wanwan's matter, and every time he mumbled to her, it was also about Wanwan's matter, but love was really a very strange thing. It came unknowingly and quietly took root in the bottom of one's heart. By the time she realized it, it was already deeply rooted in the bottom of one's heart and couldn't be removed.

She liked Gong Lingyu, but she couldn't tell Gong Lingyu anything because the person he liked was Wanwan. More importantly, it was because she and he were from two different worlds.

That was why she hid her feelings and stayed by his side as a friend. However, everyone had greed. No matter how much she restrained herself, it would always show inadvertently.

That night, when he said that he was going to give up on Wanwan completely, the joy in her heart could not be lied to. When they had sex, to say that she was drunk and unconscious was definitely a lie. All the drunken sex was just an excuse. Thinking back, wasn't she also all alone at that time? wasn't she also fighting for a chance for herself?

However, when she heard Gong Lingyu subconsciously calling out Wanwan's name in the midst of their lovemaking, when she woke up and saw his guilty and avoiding eyes, her little bit of infatuation and fantasy was instantly shattered.

She shouldn't have had thoughts that she shouldn't have, and she shouldn't have allowed those thoughts to spread and expand.

However, she didn't regret this round of lovemaking. At the very least, she stopped her ridiculous thoughts in time and didn't fall deeper. After that, she actively went on blind dates and no longer had much contact with Gong Lingyu in order to completely cut off her own thoughts. However, Gong Lingyu kept swaying in front of her, making her heart unconsciously waver with him.

Just now, when he said the word " take responsibility " to her, her heart actually trembled violently, just like that night when he kissed her, her heart throbbed endlessly.

But ironically, he could always make her happy in the next second and turn her into a joke!

Be responsible for finding a better man for her?

Ha, what a joke! Who told him to find a better one? Who would want him to be better?

Her eyes were sour and swollen, and a layer of mist appeared in front of Yu Jia's eyes. She took a deep breath and suppressed her desire to cry. She sneered, " I only want Dr. Xu. I only like Dr. Xu. I don't want anyone else. I don't want to see you. Get lost!

"Yu Jia,"

Yu Jia grabbed a beer bottle and threw it at Gong Lingyu. didn't you hear me telling you to get lost? "

Gong Lingyu dodged to the side and barely avoided the bottle. The bottle fell to the ground and shattered, and glass shards flew everywhere, just like Yu Jia's broken heart.

Seeing that she seemed to be really angry, Gong Lingyu could not say anything more and could only walk away first.

He went back to the car, rolled down the window, and looked at her across the road. Yu Jia drank the wine in big gulps. He frowned, but he couldn't persuade her.

After a long time, Yu Jia finally passed out drunk and laid on the table. Gong Lingyu quickly got out of the car and walked over.
