707 There's a problem with the child (7)

Take the initiative?

Su Wanwan's eyebrows furrowed slightly and she sighed helplessly. do you think I want to be so shameless? Those who don't know would think that I'm desperate for a man, but you also know that I have to get pregnant with niannian's child as soon as possible."

Su Wanwan looked at the child in her arms and her voice became heavier. who knows how long Xiao Zeze's matter can be kept a secret? Do you know that even though it's calm now, I'm still worried every day, afraid that a big wave will suddenly come and I'll lose niannian again?"

Ever since she pushed Ozawa as a bargaining chip, she felt like she was walking on a tightrope. She had to be careful with every step, or she would miss a step and fall to pieces.

Especially now that PEI Munian's attitude was unclear, she was even more uneasy.

He seemed to have accepted her again, but his attitude towards her was lukewarm. She could not feel his heart, nor could she see his true emotions. She did not know what he was thinking, so she was so eager to let the two of them be close and go back to the past. Only then did she dare to tell him about Xiao Zeze, and only then did she have the confidence that he would not be angry.

I was just joking with you. PEI Munian was overjoyed that you took the initiative to throw yourself into her arms. How could I possibly scare him? " Yu Jia tried to comfort her, but her expression became serious again. there are only two possibilities if a man doesn't touch a woman. Either the man is not interested in you, or Zhenzhen might be fooling around outside.

Yu Jia hadn't finished speaking when su Wanwan shook her head hard. impossible! Since niannian promised to start over with me, she won't be like that!"

Unfortunately, su Wan's words did not have any confidence. After all, Xi Zhiwei was still there. The relationship between PEI Munian and Xi Zhiwei was indeed unclear.

Yu Jia didn't expose her, but suggested, " pay attention to it. After all, you've been gone for a year. Although it's not a long time, it's not a short time either. At that time, you asked me to bring the letter and abortion papers to PEI Munian at the church. I looked at him at that time and he clearly did not have any expression, but what did he say? looking at him standing there, it made me feel sad for some reason. I think he must have suffered a huge blow. Xi Zhiwei was by his side the entire time, saved Mrs. PEI's life, and even lost her child. It's not necessarily true if he's touched."

Although su Wanwan didn't want to hear this, she had to admit that Yu Jia's words made sense. After all, if she didn't come back, PEI Munian and Xi Zhiwei might have already gotten married. Even though she had been trying to find the reason to prove that PEI Munian had no feelings for Xi Zhiwei, everything was still just a guess, wasn't it?

If PEI Munian really refused to touch her because of Xi Zhiwei, she would not be able to accept it even if the thought of Wanwan appeared in her mind.

However, PEI Munian had never explained to her about Xi Zhiwei, and she was not sure if they were still in contact. Could Yu Jia's jinx have been right?

Then, his promise to start over wasn't just perfunctory, was it? Wait until the breastfeeding period is over, then Sue her for divorce, and then Xi Zhiwei can take over?

Su Wanwan was shocked when she thought about it. She couldn't just sit and wait for death. She had to find out if PEI Munian was really fooling around with Xi Zhiwei!
