Su Wanwan's eyes congealed, her black eyes turned left and right. She suddenly turned around and walked towards the stairs.

"Young Madam, aren't you going to eat?" Auntie Wu asked in surprise.

"No, I have something to do. I'm going out!"

Su Wanwan quickly returned to the bedroom, changed her clothes, took her bag and went downstairs.

Aunt Wu carried Xiao Zeze out of the dining room. When she saw su Wanwan changing her shoes at the entrance, aunt Wu couldn't help but ask, " young Madam, it's so late. Where are you going? "

I have something to do. Don't worry, I'll be back as soon as possible. Su Wanwan lightly replied. She went out of the master bedroom, got in the car, started the engine, stepped on the accelerator, and the car slowly drove away from the villa.

Su Wanwan controlled the steering wheel with one hand, took out a Bluetooth headset with the other hand, put it on, and then dialed assistant Wu's phone.

The phone rang a few times before the other side picked up. young Madam su Feifei? "

"Where is niannian eating tonight?" su Wanwan said bluntly.

About 30 minutes later, su Wanwan's car arrived at Dynasty Hotel. After finding a parking space and parking the car, su Wanwan pushed the door open and got out of the car. She walked towards dynasty's main gate.

Su Wanwan walked to the private room according to assistant Wu. At the door of the private room, she looked inside through the gap between the waiters coming in and out. She could see the elegant figure sitting there at a glance and su Wanwan was slightly relieved.

PEI Munian indeed had a dinner appointment tonight and she was not lying. She was just overthinking.

It seemed that the business was about to end inside. Everyone stood up one after another. Some people were still unsatisfied and suggested to continue the business. The people sitting beside PEI Munian hurriedly invited her to continue.

PEI Munian's expression was indifferent and she did not reject him. whatever.

The man's face immediately bloomed into a smile. Young master PEI had never liked social events, and it was already a great honor to be able to meet him today. He did not expect that there would be a follow-up. He had to seize the opportunity to coax this young master. This way, the cooperation between him and the PEI family group would be easy to grasp!

A group of people came out of the private room. Su Wanwan quickly hid in a corner, only revealing two eyes to secretly peek.

PEI Munian walked out like a moon surrounded by stars, like a crane standing among chickens. Among a group of red-faced and big-bellied bosses, she was a clear stream. Her appearance and temperament instantly made the others look like dregs. Su Wanwan looked at her and couldn't help but be proud and smug.

This was her man!

However, Yingying soon couldn't smile anymore!

She had thought that PEI Munian would go home after dinner and did not expect there to be a second stall. The group of them drove straight to the black pool and booked a Supreme VIP private room, top-quality red wine, and a group of drinking princesses.

As soon as the group of drinking princesses entered the private room, they immediately noticed PEI Munian, this super handsome man. One by one, their eyes brightened and fought to be next to PEI Munian, making Su Wanwan's eyes burn with fire!

PEI Munian was not interested in touching her at home. Could it be that she had had enough fun outside?

Wasn't it business? He should have just talked about business, but he actually needed a woman to accompany him? This was simply abusing one's position for personal gain, a shameless, lowly person!

Su Wanwan gritted her teeth in anger. She saw a beautiful woman with an extremely hot figure walking towards PEI Munian with a red wine in her hand. She sat directly next to him and smiled coquettishly as she toasted PEI Munian. Her chest was full of waves and she couldn't help but lean closer.

Su Wanwan clenched her hands tightly and glared at PEI Munian.
