729 The courage to confess (1)

“Tonight’s banquet is my gift to you.”

This banquet was for her? W-what did that mean?

Xi Zhiwei looked up at PEI Munian in shock. His lips curled up but he did not say anything more. He turned around and sat in the car. After closing the door, he turned to assistant Wu and said, “Drive.”

Assistant Wu started the engine, turned the steering wheel, stepped on the accelerator, and the car slowly drove away.

Xi Zhiwei stood there in a daze. The cold night wind blew and her body was covered in a layer of coldness. However, no matter how cold it was, it could not be as cold as her heart at the moment.

She suddenly understood what he meant.

Xi Zhiwei blinked her eyes and her tears fell like a broken string of pearls. The three words he had said echoed in her ears. I’m willing, I’m willing!

In love, nothing could be more willing than a willing heart.

No matter what su Wanwan did, he was willing to love her. Just like no matter what he did, she was willing to love him.

However, there was never a time like today when she felt so much pain, so much pain that she was almost suffocating!

Xi Zhiwei’s hand suddenly covered her heart and she fell to the ground.

—

When the car drove off, assistant Wu saw Xi Zhiwei’s limp body through the rear mirror and could not help but say, “boss PEI, you’ve been so heartless to Miss Xi this time. Will Madam Xuanji be unhappy?”

Wasn’t that being heartless?

He had received the news of the banquet in advance and reported it to him. He had even asked him worriedly if he wanted to cancel the banquet, but he said no and even asked him to book a ticket to the United States.

At that time, he thought that the big BOSS didn’t intend to care about this matter, or that he didn’t care about su Wan anymore, so he didn’t care about her situation. He didn’t expect that he allowed this banquet to happen just to let su Wan stand firm in front of everyone, so that everyone would no longer be suspicious of her and the child, and at the same time, let Mrs. PEI no longer listen to Xi Zhiwei’s instigation easily.

Killing two birds with one stone!

However, this was very cruel to Xi Zhiwei. Even if he didn’t say anything bad to her on the spot, his attitude was already the most fatal blow.

But after all, Xi Zhiwei had saved Mrs. PEI and lost a child because of her. Xi Zhiwei's brother had also saved PEI Munian's life. Mrs. PEI would definitely not be happy if Xi Zhiwei was slapped in the face like this.

PEI Munian's eyes were calm and emotionless. He leaned back in his chair and looked out the window.

After a long while, when assistant Wu thought that PEI Munian would not answer, he opened his thin lips and said faintly, " I didn't want to be so ruthless.

In his heart, he had always felt guilty towards Xi Zhiwei. Whether it was because of her brother's incident, or because she had lost her innocence because of him, or even because of the car accident.

He had never denied what he owed her. However, he could clearly distinguish between love and affection!

She could ask for anything in return from him, but that didn't mean she could use it to touch his bottom line.

Even he couldn't bear to touch her, so what right did she have to do that?

So he could only make her understand clearly that she shouldn't touch the things that she shouldn't touch and cut off those thoughts that she shouldn't have. Only then would she know how to hold on to what belonged to her, so that she wouldn't be stuck in a dead end.

This way, he wouldn't let down the promise he made to his good brother.

After su Wanwan coaxed Xiao Zeze to sleep, she returned to her room and looked at the clock on the wall. PEI Munian should be on the plane at this time.
