PEI Munian looked down at su Wanwan's flustered expression and didn't ask anything. Her thin lips turned to her ear and said gently, " don't be afraid, you're just having a nightmare. You'll be fine when you wake up. I'm here.

Nightmare mayfly

Su Wanwan looked at PEI Munian in a daze. Her lips moved slightly, but she couldn't say anything.

To her, this dream was not a nightmare at all. This was because one day in the future, it might become a reality. If PEI Munian knew the truth, she might be even angrier and colder than in her dream.

Su Wanwan closed her eyes. Her chest was full of sourness and her eyes slowly became wet again.

She could only hug PEI Munian even more tightly. Only by doing so could she feel a little more at ease.

PEI Munian let her hug him for a while. His body was a little sore from maintaining the posture of bending over. He moved slightly, wanting to adjust his posture. However, su Wanwan seemed to be surprised and the strength of her arms increased.

PEI Munian hurriedly consoled her. Wanwan, I won't leave. Let me sit down before you carry me, okay?  
"

Su Wanwan didn't know if she heard him or not. She stubbornly hugged him tightly, afraid that he would disappear the next second.

PEI Munian could not push her away forcefully. She could only follow her strength and slowly lay down beside her. His large palm caressed her forehead and wiped away the thin sweat that seeped out. He leaned over and kissed her hair, his voice becoming gentler. go to sleep. I'll stay here with you.

Su Wanwan blinked. She slowly looked at him, as if there was a layer of mist between them. Her voice was faint, with a touch of unreality, " niannian, will you always, always be with me? "

"Yes."

"Will you be there when I wake up?"

"Yes."

Su Wanwan closed her eyes, but after a few seconds, she opened her eyes again. Seeing that the person in front of her was still there, she seemed to be relieved and closed her eyes again. But very quickly, she opened her eyes again.

PEI Munian sighed helplessly. rest assured, I won't leave.

Su Wanwan still couldn't feel at ease. She looked at him with her big eyes and her hands unconsciously clenched his clothes.

PEI Munian looked at her for a few seconds before admitting defeat. He thought for a while and said, "Why don't I read it to you? when you hear my voice, you'll know that I've been here all this time, okay?"

Reading was just like what she had done after her surgery. She loved listening to PEI Munian read to her.

Su Wanwan's eyes moved and her hand slowly let go of PEI Munian's clothes.

PEI Munian sat up and got off the bed. She walked towards the bookshelf. what book do you want to listen to? "

the book that you often read to me at that time. I want to listen to that book.

Su Wanwan's voice slowly came over, but PEI Munian's footsteps suddenly stopped. The books from the past contained everything that belonged to her. He had already asked aunt Wu to sort it out and throw it all away.

The past had always been a taboo for them now.

PEI mu Nian stood on the spot for a few seconds. Then, he casually picked a book from the shelf and returned to bed. let's read this book.

Su Wanwan swept her eyes over the unfamiliar brand new book and suppressed the bitterness in her heart. She still tried her best to smile at PEI Munian. okay.

She was the only one who wanted to go back to the past. Everyone else was moving forward, and PEI Munian's path no longer had her Qianqian.
