

Deeply 752

752 So, he loves her a lot (6)

Su Wanwan thought that she probably got the meaning of Lu Sheng's words, but she didn't understand. When did she play with niannian's feelings? She was clearly sincere to niannian every time.

Su Wanwan frowned in puzzlement. She couldn't understand, so she could only guess and test.

She licked her dry lips and continued, "Are you saying this because I broke up with niannian when Yingluo was in college?"

Lu Sheng thought that she had some self-awareness. He did not expect her to be able to bring up things that happened hundreds of years ago. Did she think that she could clear her name with this?

"Su Wanwan, are you done? Who has the time to care about your old Affairs? I'm talking about you now."

Lu Sheng suddenly took a step towards su Wanwan, his tall body approaching her. su Wan, you were so ruthless a year ago and didn't show any mercy. How can you still have the nerve to run back now and approach mu Nian? what, don't you think you've cut him enough? Or are you planning to fish for more benefits from him?"

"Woman, do you even have a little bit of conscience? How can you hurt others like this again and again, and not show any remorse?"

Su Wanwan was so shocked by Lu Sheng's words that she couldn't help but take a step back. She opened her eyes in shock and digested Lu Sheng's words word by word.

Did Lu Sheng think that she had returned this time to continue taking advantage of PEI Munian or to take revenge on him?

Or was it because PEI Munian had told him this?

However, she had already explained it clearly to PEI Munian and used her actions to prove to him that she was sincere. She had returned to his side because she loved him. Hadn't he already accepted her and believed in her?

So, he had never believed her?

"Did niannian tell you that?" Su Wanwan muttered, her voice low and a little hoarse, "but, I, I never thought of playing with him. I really love him.

"Ha."

Lu Sheng smiled contemptuously, his black eyes admiring her expression. His tone became colder, "su Wanwan, how many times do you think you can lie to others with the same lie?"

"You, what right do you have to say that I'm lying?" Su Wanwan's hands clenched tightly, the blue veins on the back of her hands popping out one by one.

To be honest, she had nothing to say when Lu Sheng criticized her, but now, what right did he have to criticize her?

“Su Wanwan, if you don’t want people to know about some things, then don’t do it!”

Lu Sheng did not want to waste any more time with her. After saying that, he pressed the elevator button again. The door opened and he stepped in without hesitation.

Su Wanwan watched as the elevator door slowly closed in front of her eyes. Lu Sheng’s words kept ringing in her ears. There were some things that you had to stop doing if you didn’t want people to know about them.

What’s the matter?

What had made niannian not trust her sincerity?

Everything that she did this time around was from her heart. She could do everything with a clear conscience, no, no, except one thing!

She had hidden Xiao Zeze’s identity from PEI Munian. This was the only thing that she had no choice in.

In that case, the reason why Pei Munian did not believe her was because PEI Munian knew about Xiao Zeze’s background?

That’s impossible! If PEI Munian knew about this, why did she still defend her at the banquet?

Wait a minute!

The White document she saw in the drawer just now suddenly flashed in su Wanwan’s mind. The first two words she saw were “divorce.” That couldn’t be Wanwan.
