Su Wanwan couldn't help but feel a little nervous. She didn't know if PEI Munian had seen anything just now.

PEI Munian walked straight towards her. Su Wanwan moved her feet and subconsciously blocked the drawer with her body. She curved her lips. niannian, are you done with the phone call? "

As soon as her words fell, su Wanwan couldn't help but feel vexed. What did she say? the topic changed too abruptly. She quickly added, " I see that you're so busy, you haven't even stopped.

"Yeah, there's been a lot of things going on recently."

PEI Munian responded faintly and sat back on the swivel chair. Seeing that su Wanwan was still standing there, he looked at her with his dark eyes and reminded her, " "I'm going to continue working."

Oh, right. You're going to work. I'll go back to the sofa.

Su Wanwan saw that PEI Munian's expression was normal. It seemed that she didn't discover anything. She secretly heaved a sigh of relief and was about to walk back. However, she had only taken one step when PEI Munian reached out to open the drawer.

Su Wanwan's eyes turned cold and her heart suddenly thumped. Without thinking, she rushed back and grabbed PEI Munian's hand, stopping his actions.

PEI Munian looked at her in surprise. Wanwan, what's wrong with your Yueyue? "

Su Wanwan realized what she had done and her whole person was almost petrified in an instant. Oh my God, her actions at this moment were so obvious that even if PEI Munian didn't suspect it before, she would have suspected it, right?

But she couldn't let him open the drawer. He would see the letter inside.

But what could he do now? How was she going to explain her actions to PEI Munian?

Su Wanwan's Black eyes quickly turned. When PEI Munian's eyes became more and more confused, she suddenly jumped into PEI Munian's arms, put her arms around his neck, and said in a panic, " "Niannian, don't open that drawer. I, I just saw a cockroach run in!"

A cockroach?

PEI Munian was slow for a second before she realized what she was saying. He frowned slightly. did you see wrong? My office is cleaned and sanitized by professionals every day. How could there be cockroaches?"

I'm definitely not mistaken. I saw it just now. It's so disgusting and so scary. Su Wanwan hugged PEI Munian's hand tightly and said, " "You'd better not open that drawer first, in case it runs out."

".....?"

no, we shouldn't stay here. Niannian, let's go out first. You can ask the cleaning lady to come over and take care of it. We'll come back later.

This su Wan wasn't afraid of anything. She didn't expect that she would be so afraid of a cockroach. PEI Munian couldn't help but laugh. But looking at her pale face, he could only nod. okay, then let's go out first.

PEI Munian and su Wanwan got up, but su Wanwan still held his arm tightly and quickly pulled him out. After leaving the office, PEI Munian told assistant Wu to call the cleaning lady over and then took su Wanwan to the company's Sky Garden restaurant.

PEI Munian brought su Wanwan to her seat and pushed the menu to her. what do you want to drink? "

Su Wanwan casually ordered a cup of flower tea, her eyes turned and she smiled: "Niannian, I'm going to the washroom."

PEI Munian also ordered a cup of coffee for herself. After she handed the menu back to the waiter, she replied to su Wanwan, " mm, go ahead.

Su Wanwan left the dining room and walked to a place where PEI Munian couldn't see her. Then, she broke into a run and rushed towards the office.
