758 So, he loves her very much (12)

Other than love, what other reason did he have to keep this signed divorce agreement? after all, she had been so heartless in the past. Other than love, what other reason did he have to lie to her that he had lost the divorce agreement and give her an excuse to stay by his side?

However, if PEI Munian loved her, why did he tell Lu Sheng that he did not love her that night? Moreover, during this period of time, he was always hot and cold to her, and he never touched her.

Although he loved her, did he not trust her? So he couldn't accept her completely?

Many doubts floated in her mind. Even if she felt that her guess was close to the truth, she could not be 100% sure. She also had the impulse to ask PEI Munian directly, but PEI Munian would not admit it.

Now that they were together, he seemed to dote on her a lot. In fact, after they started over, she was the only one who was hot-headed. If she went to ask PEI Munian if he loved her, not only would he not answer her, but he would also become cold to her, right?

If she couldn't ask him, who else could give her an answer?

Su Wanwan's mind almost instantly thought of Lu Sheng, who had just left!

That's right, Lu Sheng and PEI Munian were such Good Brothers. Lu Sheng had also warned her about PEI Munian's matter just now, and she had heard PEI Munian mention her matter to her that night. So, Lu Sheng definitely knew what PEI Munian was thinking!

she was going to find lu sheng!

Su Wanwan walked out of the elevator, took out her phone and wanted to call Lu Sheng, but found out that she didn't have his phone number at all. Su Wanwan's brows couldn't help but furrow. She couldn't ask PEI Munian for his phone number so suddenly, lest he got suspicious. Then, who else would know Lu Sheng's phone number?

That's right, Ling Yu! Lingyu had a good relationship with PEI Munian and was in the same circle as Lu Sheng. He should know his contact information.

Su Wanwan quickly gave Gong Lingyu a call.

—

Lu Sheng didn't expect su Wanwan to call him. He tugged at the corner of his lips, turned the steering wheel, and parked the car on the side of the road. He picked up his phone and his voice was as cold as ever, " miss su, what else do you need? "

Su Wanwan took a light breath and said softly, " "Lu Sheng, do you have time? Let's have a chat."

"I don't have time!" Lu Sheng refused and was about to hang up the phone when su Wan's anxious voice came over again. Lu Sheng, you're niannian's good brother. Don't you want him to be happy? "

Lu Sheng's hand paused for a moment.

Su Wanwan quickly continued, "niannian loves me, right?" You're afraid that I'll play with him again, so you warned me like that, right?"

but I've said it before, I'm sincere. I also really love niannian. We love each other. If it's delayed because of a misunderstanding, wouldn't it be a pity? "

"Ha." Lu Sheng's Adam's apple bobbed up and down and he sneered. su Wanwan, do you always come to deceive mu Nian with this look? Unfortunately, I'm not mu Nian. I won't fall for your tricks!"

On the other side of the phone, su Wanwan was silent for a few seconds and then slowly opened her mouth. you don't believe me, which means that niannian doesn't believe me either. Then, the reason why you don't believe me, is it because Hanhan and niannian already knew Xiao Zeze from a long time ago and isn't his son? "

The smile on Lu Sheng's face froze, then it was replaced with extreme ridicule. so you know your own limits.
