Self-awareness

Su Wanwan was stunned on the spot, not because of Lu Sheng's ridicule, but because niannian clearly knew that Xiao Zeze was not his son, but he pretended not to know anything and even defended her in front of everyone, ruthlessly slapping Xi Zhiwei's face.

Su Wanwan's hand that was holding the phone couldn't help but tremble. Even her voice trembled a little. Lu Sheng, I'm begging you. Let's talk. Where are you? I'll go find you.

Lu Sheng was silent.

Su Wanwan's voice was pleading, " Lu Sheng, I'm begging you.

After a long while, Lu Sheng finally spoke. are you still in the company? Wait for me at the door, I'll come back to pick you up."

"Okay, I'll wait for you at the company entrance!"

Lu Sheng had probably just left PEI's group and the car came back five minutes later. He rolled down the window and turned to su Wanwan, " "Get in the car!"

Su Wanwan pulled open the door and sat inside. She fastened her seat belt and Lu Sheng stepped on the accelerator. The car sped out and merged into the traffic.

The car drove for a while and suddenly stopped in front of a coffee shop. Lu Sheng unbuckled his seat belt and was the first to open the door and get out of the car. Su Wanwan quickly followed.

The two of them walked into the cafe and sat down at a booth. Lu Sheng took out a cigarette box and took out a cigarette with his slender fingers. Then, he casually threw the cigarette box on the table, lit the cigarette with a lighter, put it in his mouth, and took a deep breath. White smoke flowed out from his nose and mouth. He then glanced at su Wanwan. what else do you want to say? "

Su Wanwan lowered her eyes and muttered to herself for a while, as if she was thinking about how to say it. Her hands on the table slowly intertwined together. Su Wanwan swallowed her saliva, looked up at Lu Sheng, and said, " Lu Sheng, I heard Qianqian niannian telling you that night that he didn't love me, Qianqian.

Lu Sheng's eyes were filled with doubt for a moment, but he soon knew that she was talking about that night. His expression suddenly became sharp and he directly interrupted su Wan's words. are you still following mu Nian? "

"No, that day, niannian and I were supposed to pick him up at the airport, but he told me at the last minute that he had an appointment with you. I wanted to see him earlier, so I went to look for him. I didn't mean to eavesdrop on your conversation. I accidentally overheard it, and I only heard a little."

Su Wanwan explained everything in one breath, paused, and continued: "I want to ask you, did he mention me after that? did he say anything about us?"

Lu Sheng seemed to find her question funny. su Wanwan, what did mu Nian say to me? do you think I'll tell you? And then you, a woman, would have a chance to take advantage of it?"

Lu Sheng, if you hate me because of Xiao Zeze, I can explain. I didn't mean to lie to niannian. I just need a reason to stay by niannian's side and to pursue him again. I never thought of using Xiao Zeze to hurt niannian, or to gain any benefits.

Su Wanwan took a light breath and held her hands tightly. I didn't think of lying to niannian all the time. I originally thought that after my relationship with him eased a little, I would tell him the truth and ask for his forgiveness.

Lu Sheng listened quietly, but his expression did not change at all. do you think I'll believe you just because of your one-sided story? "

One-sided story

That's right, to Lu Sheng, her explanation was weak and powerless. Then, to PEI Munian, was it the same?
