

Deeply 769

769 Force out his true heart (9)

Shen Ziwei's dark eyes stared at her for half a second before he chuckled. His voice was as casual and elegant as ever. "why are you so surprised?" "If it wasn't for the need, do you think Grandpa would let me come back?"

".....?"

How could he not be surprised? It was like a clap of thunder rumbling in her ears.

"No, y-grandpa, w-why would Wanwan have such a request? Why would I let you marry me? This, this is too outrageous!"

Su Wanwan was so shocked that she couldn't even speak properly.

Taking a deep breath, su Wanwan composed herself and continued, " brother Ziwei, you also know that you're no different from my brother. If we get married, Oh my God, I'll think that I'm being indecent.

Shen Ziwei seemed to be amused by su Wanwan's words. The curve of his face, which was usually calm, softened and his eyes flickered with a smile. "Wanwan, are you exaggerating?"

"What's an exaggeration? this is the truth, okay?" Su Wanwan patted her chest to calm her frightened heart. She suddenly thought of something and frowned at Shen Ziwei. " brother Ziwei, you're not deliberately teasing me, are you? I'm telling you, don't make such a joke, it'll really scare people to death."

Shen Ziwei curled his lips and laughed for a while, then shook his head. "I'm not joking. It's true.

"Ah?"

Shen Ziwei looked at the shock and surprise in su Wanwan's eyes. He then looked out of the window. Su Wanwan stopped the car just a short distance away from the city. Because they went to pay respects to Su Zhenhua, they didn't even eat lunch. Shen Ziwei looked at the time. It was almost four or five o'clock in the afternoon. Shen Ziwei said, " let's go. I'll treat you to a meal. We'll talk over dinner.

Su Wanwan sat there in a daze and couldn't react. Shen Ziwei simply unfastened his seat belt, pushed the door open, got out of the car, went around to the driver's seat, pulled the door open, and brought su Wanwan out. He protected her and sat her in the front passenger seat. Then, he fastened the seat belt for her and sat in the driver's seat. He started the engine, stepped on the accelerator, and the car merged into the traffic.

The car stopped at the Grand Emperor Hotel. Shen Ziwei got out of the car and threw the car keys to the valet at the entrance. He then pulled su Wanwan out of the car and brought her into the Grand Emperor.

Shen Ziwei didn't ask for a private room. Instead, he sat down in a quiet seat in the dining room. When he was ordering, he saw that su Wanwan was still in a daze. He decided to make the decision himself and ordered a few of her favorite dishes. "these will do for now."

okay, please wait a moment. We will serve the dishes as soon as possible!

Shen Ziwei picked up the teapot, poured a cup of tea, and handed it to su Wanwan. He said softly, "Wanwan, have a cup of tea first."

The only thing she wanted to do now was to drink some cold water to clear her head!

Su Wanwan's hands couldn't help but clench into fists. Her big eyes fixed on the leisurely Shen Ziwei, and her beautiful eyebrows furrowed almost into a knot. brother Ziwei, I can't think of anything no matter how much I think about it. Why does Grandpa want us to get married? "

Shen Ziwei poured himself a cup of tea. His slender fingers held the teacup and turned it slightly. He raised his head and took a sip. Then he smiled and said, " it's very simple. Grandpa wants me to come back and inherit the SU group. Only by marrying you can I have a legitimate title and the directors won't have anything to say.

".....?"

Grandfather actually urged brother Ziwei to inherit the SU family?
